

CODE OF CONDUCT AND POLICY ON COURT ETIQUETTE

Introduction

1. This code of conduct and policy on court etiquette sets out what the Club regards as good practice for all members to follow, and is available so that every member is clear as to what is expected of them in order to create the right playing and social environment in which everyone can enjoy their sport.

Both the code of conduct and the policy on court etiquette reflect the friendly and co-operative spirit which members at the Club have enjoyed for many years.

The General Committee of the Club is confident that this ethos will continue and sees this as important in maintaining the Club's reputation.

The Code of Conduct sets out minimum standards of behaviour, which all members are expected to follow, and seeks to avoid any serious issues arising.

The policy on court etiquette then sits alongside the code of conduct and sets out a range of actions and behaviours which are considered acceptable or unacceptable on and around the playing areas.

Should a breach of the code of conduct or a serious breach of the policy on court etiquette occur, a complaints and sanctions process is set out further in this document.

Aims of the Code of Conduct and Policy on Court Etiquette

 - Advise all members of the standards of behaviour and court etiquette which they are expected to meet so that an environment is created within which members can enjoy their sport and the club can continue to flourish;
 - Provide a complaints and sanctions process so that any issues can be addressed.

Policy on Tennis Court Etiquette

4. Tennis etiquette covers different areas from those addressed within the rules of the game. Etiquette covers a range of actions and behaviours which are considered acceptable on and around the tennis court.
- The Bexley Lawn Tennis Squash & Racketball Club policy on etiquette covers these areas:

Showing respect and being courteous

- Welcome new members and players to the Club irrespective of their experience of the game and their level of play;
- Show respect and courtesy to your partner, your opponents and others on or around the courts;
- Instead of criticising your partner or opponent, offer encouragement instead;
- If a loud dispute during a match occurs, take it off court and away from other players on adjacent courts;
- Do not walk behind courts when a point is in progress to avoid causing a distraction;
- During play and particularly between games keep the amount and volume of conversation to a minimum so as to avoid distracting players on other courts;
- If a ball from an adjacent court strays onto yours do not hit it back immediately but do so when the players on that court are ready and then hit it to the server's end of that court. Courtesy to your opponents should include leaving the court together at the end of the match.

Do not walk onto another court during play

- Before crossing a court to get to yours, wait for the conclusion of the point or if the match is a competitive one wait until the end of game, or until you are invited to cross, and do so as quickly as possible;

- Close the gate behind you, as you would on your own court;
- Be aware if you are already playing on court that others may wish to cross your court in order to access their own court and facilitate that where possible;
- If your ball rolls onto an adjacent court, wait for a break in the play in that court before politely requesting its return rather than retrieving it yourself.
- After finishing your match leave the court clear of any rubbish and ready for the next players.
- Clay courts must be swept after finishing play.

Line calls

- Only call the lines on your side of the net;
- Call clearly on the basis of what you honestly believe to be correct;
- If you are not certain, or did not see the ball clearly, the ball was good and the doubt must be given in favour of the opponent;
- If occasionally you have serious doubt over a line call, ask your opponents politely if they are certain as to the accuracy of their call, and if they are, move on and play the next point;
- If there is doubt over a line call, consider offering to replay the point.

Keeping score

- The server should announce the score before each point;
- If the server forgets or does so inaudibly, the receiver should request the server to make an audible announcement of the score.

Mobile phones

- Mobile phone calls should not be made or received on court: leave the court to make or receive a call;
- Mobile phones taken onto court should be switched off or put on silent or vibrate mode to avoid creating a distraction.

Clothing and footwear

- Players should wear recognised tennis clothing of any colour together with tennis footwear;
- Tennis footwear is required both to promote safety as unsuitable footwear can provide insufficient grip, and to prevent damage to the courts.
- Soccer, beach or denim wear is not permitted on court.
- Men's vests or sleeveless shirts are not allowed.
