

This newsletter - sent on Mondays, Wednesdays and Fridays - contains important information and resources to support community pharmacies across England.

In this update: Adult Flu vacs service fee imposed; End of month submission guide; Dispensing and Supply updates.

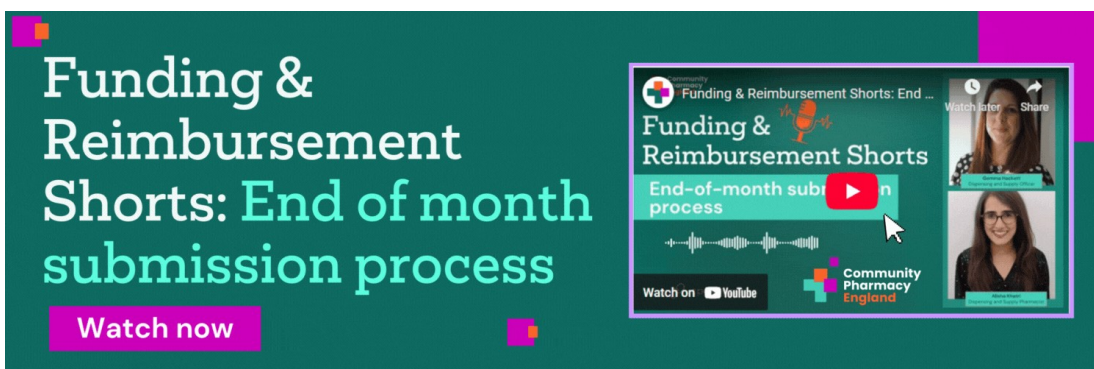

The fee for providing the Adult Flu Vaccination service will remain at £9.58 for 2025/26.

Despite Community Pharmacy England's evidence-based for an increase in the fee, Ministers refused to do so. We understand this decision has been driven by the available budget that NHS England holds for vaccination services.

Pharmacies play a vital role in protecting patients and easing NHS pressures each winter. Costs have risen significantly since the previous fee increase and this should be reflected in service funding.

As we approach the end of the month, pharmacy owners are encouraged to take a look at our Dispensing and Supply Team's latest video guide.

Part of the Funding & Reimbursement Shorts series, this video explores the end-of-month submission process. It outlines the checks to carry out when preparing to make your pharmacy's submission, which activities to declare, submission timelines, and the financial impact of any delays.
