## 1 POLICY STATEMENT

Principals are authorised to organise or manage private tutors to deliver educational programs to meet the needs of a student.

## 2 BACKGROUND

The Department of Education (the Department) provides an appropriate educational program for all students within the available allocated resources.

The principal and teachers are responsible for the educational programs of students and it is mandated that these programs reflect the principles and outcomes of the *Western Australian Curriculum and Assessment Outline* and the *WACE Syllabus*.

Achievement of students is the province of teachers employed under s235 (1) (b) of the *School Education Act 1999* (Act). Schools must not abrogate this responsibility through the use of private tutors.

It is recognised, however, that schools do not always have the necessary resources to present educational programs to meet the full range of needs of all students.

In such cases, the principal may consider requests from parents to grant approval for students to attend private tutoring programs during school hours.

Such programs may be delivered either at the school or at a place other than the school. Section 24 (1) of the *School Education Act 1999* provides authority for an arrangement to be entered into by which a student is able to attend at a place, other than the school, to participate in activities that are recognised as part of the school's educational program. Such an arrangement may take the form of a period of time each week, or a block of time during the school year.

Principals may be approached to give permission for a private tutor to use the school premises for out of school hours tutoring. Although this is not a school endorsed activity, procedures have been written to outline the steps needed to allow the use of the school facilities. After school tuition off the school premises and not organised by the school is not a school activity and is not covered by this policy.

## 3 SCOPE

This policy applies to:

- all public school principals who manage or organise private tutors to run an approved education program for students; and
- all principals of public schools where a private tutor requests to use the school facilities for after school hour tutoring.

## 4 PROCEDURES

### 4.1 PRIVATE TUTORS ORGANISED OR MANAGED BY SCHOOLS

Private tutoring programs attended by students during school hours must:
