

Positioning thesis

Word provides the real-time collaboration people expect from modern cloud editors while adding deeper professional document production, formal review, rich desktop features, enterprise security, automation, accessibility, and file-format control.

- Word advantage: Track Changes controls, compare/combine, mail merge, advanced styles, captions/cross-references, indexes, custom fields, content controls, macros/add-ins, protected documents, sensitivity labels, and richer desktop publishing features.

3. Capability matrix: Word has all the expected basics plus professional depth
