

Day Hosts at Promise Haven

Guests are welcome to stay at Promise Haven on Saturdays and key holidays. Day Hosts provide supervision, support, and hospitality to the families on those days. On Sundays the families will not stay at Promise Haven but will have access to the Day Center. The families' weekend plans are due to the Family Advocate by Wednesday at 12 PM. The Family Advocate will have the families' schedule to the coordinator by 5:30 PM Wednesday, so they can adjust your coverage as needed. If a Saturday event is scheduled by the church or outside group, the families will be required to attend.

Day Hosts are reminded to review the Promise Haven House rules and posted emergency information.

The morning Day hosts arrive at 8 AM and meet with the overnight host for any information needed. The morning Day hosts leave when the afternoon host arrives at 12:30 PM. The afternoon hosts leave after providing any update needed to the Evening Host who arrives at 5 PM.
