Organisation Name <i>Free text/cut and paste from a word document</i>			
Title of Job <i>Free text or if chosen automated population from a chosen transferable role template</i>	Transition Coordinator: Children to Adult Services		
Scope of Job <i>sets the context, job profile</i> <i>Free text or from automated population from chosen TRT</i>	This Role includes a range of activities at Level 5 which will be required to support a young person with learning disabilities in the transition to adult services. The provision of this support may be only one aspect of the overall job carried out by a worker. Support for the transition to adult services may be provided by several members of an integrated care team and/or by a range of agencies. A successful transition requires a person centered approach with four key elements, namely Early Planning, Communication, Multi-agency Coordinated Working and Preparation for Adulthood. The activities in this Role are linked to National Occupational Standards (NOS). NOS define the knowledge, understanding required and the criteria for competent performance of each activity. The NOS within this Role have been taken from the Learning Disability Transition Pathway Competency Framework developed by Health Education England in the West Midlands in partnership with Skills for Health. The lists of NOS within this role refer to the function of supporting transition to adult services and they do not necessarily include all of the other activities which a person supporting transition may carry out when performing other aspects of their job. The lists of NOS are intended as a guide to commissioners, leaders and education providers and articulate the skills required at Level 5 within a team/service in order to support a young person with learning disabilities in the transition to adult services.
