

UF Health Medical Group – Chapel Chat

Q: Who was the representative for UF Health Medical Group who spoke at the Chapel Chat?

A: Caitlyn Whitehead Office manager over UF Health Primary Care and Cardiology

Q: Who will the provider be on campus?

A: Natalie Farinas, Physician Assistant. She is apart of the UF Health Primary Care down the road on Donnelly and she also rounds at Edgewater Skilled Nursing Facility 3 days a week.

Q: What days will your clinic on campus be open?

A: Starting May 1st, 2025, we are going to be coming on Wednesdays and Thursdays from 9:00 a.m until 5. As the patient load grows our days will start adding days and we will probably start sending a doctor periodically through the week as well.

Q: What services will you provide?

A: Basic primary care services, same-day appointments when able to accommodate, urgent care needs.

Q: Where is the clinic located?

A: It will be behind the chapel, in Pastor Freds old office.

Q: What insurances do you take?

A: Medicare and the only commercial plans that I know we do not take is United Healthcare, however Medicare Advantage United Healthcare we do take

Q: How is the communication between UF Health and Advent Health?

A: We can view records or get them very quickly from primary care drs, specialists and other hospitals.

Q: Can you do PT/INRs?

A: We do not do them in the clinic here at WV, however we could give you a standing order to Quest or LabCorp so you don't have to come get an order everytime you need to get them done.

Q: Can I keep my primary doctor but utilize the clinic here as needed?

A: Absolutely, yes. There may be a concern if you have an insurance other than Medicare and needing authorization, but you do not have to leave your primary dr to be able to utilize UF Health Medical Group.

Q: What do I do if I would like to switch to UF Health Medical Group on campus here at Waterman Village?

A: You can call our office now at (352) 720-7980 and book an appointment after May 1st for your initial appointment here on campus, or you can make an appointment at the Clinic further down on Donnelly anytime prior to May 1st. Or you can stop at the Lodge

and Lakeside reception where we will leave cards to fill out. Kendra or Maggie will come and collect them weekly until the clinic opens and the office will contact you.

Q: What do you see as your primary usefulness to us by coming here?

A: Our benefit for coming here is to give you guys a little bit more access to health care we know a lot of you ride around on your golf carts and don't really want to take your car so we are kind of bringing the health care here to your community so making it more accessible.

Q: Can I get my labs drawn in the clinic here on campus?

A: Right away, no. But this is something we are looking into. We will offer it up the road at our Donnelly location soon.

Q: When can we meet Natalie Farinas the Physician Assistant?

A: At our Open House on May 1st from 9-11:30am. We will have some donuts and refreshments. right um we will be doing an open house

Q: Do I have to use UF Health Hospital if I am going EMS to the ER?

A: No you have the choice to use whatever hospital you would like to use.

Q: Because I live at Waterman Village do I have to use UF Health Medical Group?

A: No it is and always will be patient choice on what doctor you would like to go to.
