

Performance Improvement Plan - Template for Charter Renewal Fall 2024

Instructions: Charter schools in the low renewal tier must complete a Performance Improvement Plan (PIP) for each growth area as described below. Schools in the middle tier or schools that qualify for the Dashboard Alternative School Status (DASS) program may choose to complete a PIP as well. Improvement plan responses for performance indicators should be anchored in the [OUSD School Quality Review \(SQR\) rubric](#) where appropriate. Baseline should be based on 2023 Dashboard results for performance indicators.

Growth Areas:

Performance/State Dashboard: Address all Red and Orange State Dashboard indicators (including school-wide and individual student group indicators) from either of the most recent two years of State Dashboard data.

Operations: Identify and address all necessary areas for growth:

- Finances
- Enrollment and/or ADA
- Demographics of student population
- Board health and effectiveness

PIP Template: Please complete the below table for each indicator/growth area, following the sample on the next page.
