Board of Works Meeting – May 9, 2023

To: Board of Works
Clerk Treasurer's Office

I respectfully request the Board approve the invoice from Truck country of Indiana for \$6,671.00. This was an upgrade to the electronic controls on our newest Freightliner truck. We made this decision last year to upgrade but I could not find where I brought it back to the Board for approval. This is a sourcewell bid so it is not a competitive bid situation. The original controls we specified in our bid is now obsolete so this was our best option. If you have any questions please let me know. Thank you.
