

OOXML w:strikesh tester – ST OnOff forms, demonstrates font size via half points (<w:sz-w:val='...'>), rStyle-only strikesizes, inline overrides, and linked styles. (Bonus: a line with w:dstrike.)

A) <w:strike> ST OnOff variants:

A) Direct <w:sz> sizes (pt shown; XML uses half points):

- w:strike sz 8pt (w:val=(omitted): Strikethrough sample '16'): Sample size text

- w:strike sz 10pt (w:val=true: Strikethrough sample '20'): Sample size text

- w:strike sz 11pt (w:val=1: Strikethrough sample '22'): Sample size text

- w:strike sz 12pt (w:val=on: Strikethrough sample '24'): Sample size text

- w:strike sz 14pt (w:val=false: Strikethrough sample '28'): Sample size text

- w:strike sz 18pt (w:val=0: Strikethrough sample '36'): Sample size text

- w:strike sz 24pt (w:val=off: Strikethrough sample '48'): Sample size text

— w:sz 36pt (w:val='72'): Sample size text

B) rStyle-only strikesizes (no inline <w:strikesh>):

- rStyle='SD_StrikeChar' => expect strikethroughSz12ptChar' => 12pt: **Styled strike** 12pt text

- rStyle='SD_NoStrikeChar' => expect normal textSz24ptChar' => 24pt: **Styled no-strike** 24pt text

— rStyle='SD_Sz18ptChar' => 18pt: **Styled 18pt** text

C) rStyle + inline <w:strikesh> (inline overrides style):

- rStyle='SD_StrikeChar'Sz24ptChar' + inline 'off 12pt => expect NOT strikethrough: **Strike** 12pt: 24pt style overridden off to 12pt

- rStyle='SD_NoStrikeChar'Sz12ptChar' + inline 'on'36pt => expect strikethrough: No strike36pt:-

~~12pt~~_{style overridden on} ~~to~~ 36pt

D) Linked style pair (paragraph+character) with strikesizes:

- rStyle='SD_LinkedStrikeHeadingChar' => strikeLinkedSizeHeadingChar'=>18pt: **Linked Char-**
style appliedSize

—pStyle='SD_LinkedStrikeHeading'LinkedSizeHeading' (24pt) + inline 'off'36pt on a run: This

part should NOT be struck ~~36pt overriding~~
~~paragraph size~~

Table examples (strike combossizes mixes):

rStyle=StrikeSz18

Struck cell18pt

rStyle=NoStrikeSz12 + inline on36pt

Should be struck ~~36pt~~

Bonus <w:dstrike/> example (double strike): Double-struck sample
