
‘The Venerable Dead’ *

Godly Scottish Divines, who, though long ago taken to glory,
have profoundly impacted the generations that followed,
by means of their immense practical esteem of God’s Word,
with careful and thorough exegesis and powerful exposition.

Ron Frasco

* A term coined by early American Pastor, Samuel Davies, as quoted by Iain Murray in *Revival and Revivalism* – “I am as happy as perhaps creation can make me: I enjoy all the necessities and most of the conveniences of life; I have a peaceful study, as a refuge from the hurries and noise of the world around me; the venerable dead are waiting in my library to entertain me ...”
