

Über den Gipfeln: Ballonfahren am Achensee

Hoch oben in der Luft entdecken Urlauber völlig neue Perspektiven auf die faszinierenden Landschaften zwischen See- und Bergwelt. www.achensee.com

Mit Freunden, zur Verlobung oder einfach zum Entschleunigen: Eine Fahrt in einem Heißluftballon ist ein unvergessliches Erlebnis. Schweben über weiß verschneite Winterlandschaften oder grüne Almen – am Achensee, Tirols Sport und Vital Park, heben das ganze Jahr über die bunten Ballone ab und ermöglichen Urlaubern eine völlig neue Perspektive auf das türkis-grün schimmernde Tiroler Meer, das Karwendel- und Rofangebirge. Im März steht mit täglichen Fahrten eine ganze Woche unter dem Zeichen der Himmelsstürmer.

Im siebten Himmel: Das ganze Jahr über Ballonfahren

Eine Ballonfahrt ist Entschleunigung pur: Die absolute Stille und Unmittelbarkeit der Natur sorgen für ein unvergessliches Erlebnis. Doch bevor der Heißluftballon in die Luft steigt und sich vom Wind tragen lässt, beobachten die Piloten die Wetterlage genau: Windrichtung, Bewölkung, Niederschlag, alles muss passen. Am Starttag wird dann noch mal genau gecheckt, ob die Prognose stimmt – nichts wird dem Zufall überlassen. Am Achensee starten die Ballone in Achenkirch bei Nord- oder Nordwestwind je nach Jahreszeit zwischen fünf und neun Uhr morgens. Nebelschwaden über dem Boden, erwartungsvolle Aufregung vor dem Start. Die Passagiere müssen mit anpacken, die 7800 Kubikmeter Luft fassende und 30 Meter hohe Ballonhülle mit ihren vielen Leinen muss sorgfältig ausgebreitet werden. An der breitesten Stelle hat sie einen Durchmesser von 25 Metern, einfach riesig. Zuerst wird der Ballon mit Luft gefüllt, dann mit dem Brenner erwärmt. Die warme Luft steigt im Inneren auf und plötzlich hebt man ab und steigt höher und höher – bis auf 3000 Meter Höhe.

Traumhafte Ausblicke über den Achensee, über das Rofan- oder Karwendelgebirge sind garantiert – malerischer Sonnenaufgang inklusive. Im Ballonkorb ist es übrigens windstill, am kältesten ist es am Startplatz. Also ist es auch im Winter nicht zu frisch – warme Kleidung in mehreren Schichten sowie gutes Schuhwerk werden trotzdem empfohlen. Während die Mitfahrer im Panorama schwelgen, checkt der Pilot noch einmal die Windrichtung. Denn einen Ballon kann man nicht lenken, er folgt dem Wind. Doch keine Sorge: Alle Ballonpiloten in den alpinen Fluggebieten haben viel Erfahrung und Knowhow. Sie können den bunten Himmelsstürmer bei Bedarf schneller zum Sinken bringen und so den optimalen Landeplatz anpeilen. Die Fahrt dauert mindestens eine Stunde, je nach Landemöglichkeit gerne auch länger. Wieder am Boden packen alle mit an. Zum Abschluss bekommen die Passagiere eine Urkunde, die sie feierlich in den Adelsstand der Ballonfahrer erhebt. Dann bringt das „Erdferkel“ – so wird der Fahrer des Begleitfahrzeugs genannt, der den Ballon am Boden „verfolgt“ – die glücklich Gelandeten zum Ausgangspunkt zurück. Tickets für die „kleine Alpenfahrt“ gibt es das ganze Jahr über. Online buchen über den Achensee Erlebnisshop. Anfragen per Mail an info@achensee.com bzw. info@alpineballooning.

Tipp: Achensee Ballontage von 13.01. – 20.01.2024. Nähere Infos unter: www.achensee.com

Der Achensee – Tirols Sport & Vital Park

Ankommen, aufatmen und abtauchen – in der Region rund um den größten See Tirols wird sportliche Aktivität, Naturerlebnis und Erholung großgeschrieben. Eingebettet zwischen dem Karwendel und dem Rofangebirge ist der Achensee Destination für Berghungrige und Wasserratten gleichermaßen. Mit dem ringsum frei zugänglichen Seeufer und den eindrucksvollen Pfaden in die Täler des Naturparks Karwendel sind im Sommer wie im Winter landschaftliche Erlebniswelten geboten. Egal ob zu Fuß, mit dem Mountainbike, den Langlaufskiern oder den Schneeschuhen – der Achensee begeistert und ist voller Momente, die bewegen!

Achensee Tourismus ist Ansprechpartner sowohl für Gäste als auch für Medien, wenn es um Informationen zu den touristischen Aktivitäten in Tirols Sport & Vital Park geht.

Medienvertreter*innen finden druckfähige Fotos zum Download auf der Bilddatenbank www.achensee.org. Nach erststufiger Registrierung sowie deren Rückbestätigung per Mail können Dateien der Achensee Bilddatenbank gesichtet und die ausgewählten Fotos heruntergeladen werden.

Before you begin

All sections of the application must be completed, and you must send the other documents we require for due diligence. To give your application the best chance of success, please be concise in your answers to ensure the key information is captured. A full list of questions for the application are attached as an appendix to these guidelines.

Key information

Who can I contact if I have any questions or need guidance completing the application?	Eleanor Gear Fund Manager 07538417175 Eleanor.gear@scbf.org.uk				
How much funding is available?	The Apprenticeship fund has an annual funding pot of £75,000				
How much can I apply for?	The maximum amount of financial support to any business over the three years is currently £5,000 – £15,000. The payments will be made in instalments, on completion of a six-monthly monitoring report and a visit by the fund co-ordinator.				
Where does this money come from?	The Apprenticeship Scheme is financed from the Viking Community Fund.				
How are decisions made?	SCBF will review the eligibility of your application and prepare an appraisal document for a panel of SCBF directors who will make awards based on budget availability.				
When are decisions made?	<table border="1"> <thead> <tr> <th>Deadline</th><th>Panel meets</th></tr> </thead> <tbody> <tr> <td>31st May</td><td>End of July</td></tr> </tbody> </table> We'll contact you within two weeks of the panel meeting date to let you know whether your application has been successful or not.	Deadline	Panel meets	31 st May	End of July
Deadline	Panel meets				
31 st May	End of July				
What can grants be used for?	Financial support will be available for costs involved in employing the apprentice, such as a contribution towards the apprentice's wages, travel and accommodation, specialist workwear, etc.				

	The final amount awarded will vary depending on the context and needs of each business and apprenticeship opportunity. Support from the Viking Community Fund will be additional to that provided by any industry governing bodies such as SECTT, SNIPEF and CITB. These grants need to be declared in the application form, as part of the budget for the apprenticeship position.
Who can apply?	The scheme will be open to any small private business or social enterprise based in the community benefit area that has less than 15 employees. The apprentice to be employed can be up to the age of 25. You will also be required to: • Demonstrate appropriate health and safety procedures • Ensure adequate equipment to cover the range of training required • Provide proof of relevant employee and public liability insurances • Register the apprentice with the appropriate skills body (if relevant) SCBF are particularly interested if the apprenticeship helps a young person stay in, or move into, the area. The panel is also keen to support apprenticeships where the employment will assist in improving local skills shortages.

Guidance on completing the application form

General guidelines

- Please complete all relevant sections. Incomplete applications will be returned.
- In order to give your application the best chance of success, please provide as much information as possible for each section.
- Please don't write 'see attached' on any part of the form as a substitute for

information — although if you wish to include other documents (besides those requested at the end of the application) with which to support and supplement your application then you are welcome to do so.

- Please round figures up to the nearest pound.
- Link to website detailing range of apprenticeship frameworks [Search apprenticeship types | Apprenticeships.scot](#) (includes a section on training providers and support)

What happens next?

SCBF staff will check the eligibility of your application and prepare an appraisal document for the panel who will decide upon your application. A decision should be made and advised within 2 weeks of the panel meeting date. Any delays will be advised as soon as possible.

Appendix 1—Application questions

Business Support for Apprenticeship—Application Questions

Section 1 Contact Details

- Contact name:
 - This should be the person we address any correspondence with regarding the application, such as requests for further information or any grant offer.
- Name of Business:
 - This should be the registered name of your business or organisation and that appears on your bank account statement.
- Position in organisation
 - Manager, Secretary, Chairperson etc.
- Telephone number—daytime and alternative:
 - The number of the main contact named on the application.
- Contact email:
 - This will be the email address we will use to send any correspondence regarding the application.
- Correspondence address with postcode

Section 2 Business and Finance Information

- Your registered company number
- Accounting information
 - Total turnover last accounting year
 - Total profit/loss last accounting year
- Other financial information
 - Value and nature of assets associated with the business
 - Value and source of any loans associated with the business
 - Other sources of funding associated with the business

Section 3 Apprentice Position

- The type of apprenticeship to be followed
 - Modern apprenticeship, graduate apprenticeship
- Proposed start/finish date
- How will you ensure the apprentice receives support and mentoring in the role
 - Do you have a dedicated employee to mentor them? Will you be directly supporting them yourself?
- Do you already have a suitable candidate you are keen to appoint, if yes, complete section 4

Section 4
 Candidate
 details

This section is only for completion if an apprentice has already been selected

- Name of apprentice
- Age at date of application
- Address
- Qualifications to be studied
- How were they identified/recruited
- Apprentice voice
 - A statement from the apprentice on how they feel undertaking this apprenticeship, i.e. why do they want to do it? Has it opened up an opportunity to them not previously available? Is it allowing them to remain in their local area?

Section 5
 Impact of
 apprenticeship

- Impact of the apprenticeship to your business, the apprentice and the wider community
 - How will offering the apprenticeship opportunity help your business now and in the future? Will it improve a skills gap? What will the young person gain from the apprenticeship?

**Apprenticeship
 budget**

- A table detailing each of the costs associated with employing the apprentice and who would be funding these in years 1, 2, 3 and 4
- Salary Costs
 - What is the full annual salary for the apprentice, what is the hourly pay and how many hours per week will they be working
 - If you intend to pay an enhanced rate (higher than the national minimum wage for apprentices), how much would the VCF be contributing towards this increase annually and hourly.
- Equipment
 - What does the business want to provide in terms of equipment to help the apprentice
- Clothing
 - Are there PPE requirements for the job that you require funding for?
- Course fees (if not covered by another party)
 - Are there additional training courses you would like the apprentice to do where this isn't already covered by the current apprenticeship framework provision that would enhance their learning?
- Travel to college and overnight stays
 - Are there additional costs being incurred by the employer whilst the apprentice attends college on the mainland?
- Your time invested (% of total working week)
 - How much one-on-one training time do you need to dedicate to the apprentice from your working week?

Supporting documents

- Your latest annual accounts
- Relevant insurance documents, i.e. employers liability insurance
- A copy of your child protection/vulnerable adults policy (if applicable)
- The details of a referee that can be contacted in support of your application if required.
