[Insert practice name] confidentiality agreement

DECLARATION

I <insert name> understand that as a condition of my employment by / contract with / engagement with <insert name of practice> I shall, neither during nor after the period of employment by contract with / engagement with the practice, except in the proper course of my duties or as permitted by the practice or as required by law, divulge to any person any confidential information concerning:

- patient personal, health and financial information
- the business or financial arrangements or position of this practice or any related company
- any of the dealings, transactions or affairs of the practice or any related company.

The contractual arrangement between this practice and its employees/contractors is founded on trust. I undertake not to knowingly access any confidential information about the business of the practice, practice team members, patients or patient medical information, unless such information is essential for me to properly and efficiently perform my duties. I understand that I am obliged that when discussing confidential information within the practice, I do so in a manner that does not inadvertently lead to inappropriate disclose. I understand that any breach of this trust will render me liable to disciplinary action, termination and/or civil proceedings.

I further undertake to inform my supervisor immediately if I become aware of any breach of privacy or security relating to the information I access in the course of my duties.

All confidential records, documents and other papers together with any copies or extracts thereof in my possession will be returned to the practice on completion of employment / contract / engagement with the practice.

Name of person making the declaration:
