Application Form

Application checklist:

☐ Completed application form including signed approval of the head of your Unit.

Your application form must not exceed a total of 7 pages, with a maximum of 3 pages dedicated to your project summary.

☐ A letter of support co-signed by the head of your unit indicating their support and an

acknowledgment of the obligations required of the successful applicant. It should also address how the proposed initiative will benefit the staff member and unit.

Submit applications to:

Margriet Dekkers, International Strategic Partnership Coordinator at m.a.h.dekkers@utwente.nl

Email subject: *"SIEG Application – YOUR NAME"*

Applicant Information

Project Proposal

Project title (max. 150 characters):

<u>Last name:</u>	
<u>Given Name(s):</u>	
<u>Title/Position:</u>	
<u>Department/Unit:</u>	
<u>Email:</u>	
<u>Phone number/extension:</u>	

Proposed Dates

*Proposed dates cannot be guaranteed and are in part dependent on host institution(s) availability.

Keywords:

<u>Proposed date of departure</u>	
-----------------------------------	--

<u>Proposed date of return</u>	
<u>Proposed length of travel (# of days/weeks)</u>	
<u>Proposed host unit(s) at Waterloo</u>	

Project Summary

Abstract (max. 500 characters):

- <u>Brief title of the Project.</u>	
- <u>If known, list the Waterloo unit/individuals identified to collaborate and/or host. <i>*Note: We are not asking you to connect with Waterloo ahead of time for this application. UT/UW liaisons can assist with connections should you be successful in your application.</i></u> -	-
<u>How does this Project incorporate the potential impact upon each university's strategic priorities – namely, the University of Twente's Shaping 2030 and the University of Waterloo's Global Futures 2024?</u> -	-
- <u>Brief explanation of the Project, including:</u> - <u>1. The key elements of the Project (a basic description, including project plan and goals).</u> - <u>2. The primary outputs envisaged from the Project.</u> - <u>3. How the Project will create near-term impact and what are the prospects for achieving the desired impact.</u> - <u>4. What the anticipated impacts are of this project beyond engagement through the SIEG funding.</u>	-
- <u>Proposed timeline</u>	-

Any other relevant detail to support this Project.

SIEG Budget Template

Project objectives (max. 500 characters):

<u>Proposed Budget</u>	<u>Description and Items in EUROS</u>
<u>Airfare</u>	
<u>Ground transportation</u>	
<u>Accommodation</u>	
<u>Meals</u>	
<u>Visa costs</u>	
<u>Other (please specify)</u>	
<u>Total Funds Requested</u>	

Signatures and Approvals

Please confirm that the head of your unit has given approval for this project application to be submitted and that these individuals agree to be responsible for the administration of associated financial resources (where appropriate), should the application be successful.

Current state of knowledge (max. 1,800 characters):

<u>Applicant Name:</u>	<u>Date:</u>	<u>Signature:</u>
<u>Head of Unit Name:</u>	<u>Date:</u>	<u>Signature:</u>

References:

Methodology (max. 2,000 characters):

Benefits of the project:

Project Team

Applicant:¹

Name and surname:	
Number of publications Q1+Q2 in the last five years ²	
Number of records in the WoS database	
H-index as per the WoS database	
Most important publication in the last five years:	

Principal Researcher:

Name and surname:
Correlation between the proposed project and the principal researcher's dissertation, most important publications:

¹ In the case of DSP students, the applicant is the principal researcher's supervisor.

² Specify the number of Q1 and Q2 as per JCR for the years 2018-2022. If a journal is classified in multiple fields, specify the highest quartile.

--

Project team members – Researchers:

Name and surname:

Correlation between the proposed project and the researcher's dissertation/thesis:
--

--

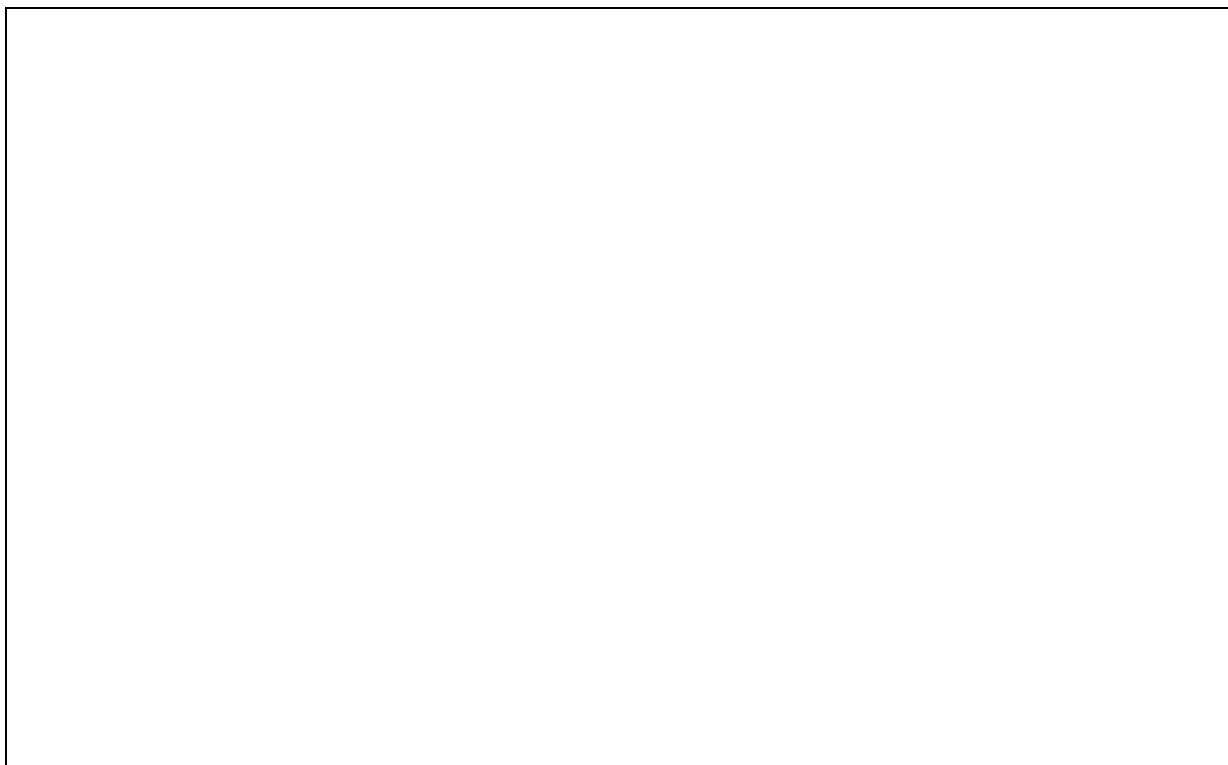

Name and surname:

Correlation between the proposed project and the researcher's dissertation/thesis:

Final report												

Anticipated binding deliverables

Deliverable description and designation as per the RVVI methodology	Expected time at which deliverable will be delivered

Risk Analysis

Risk type and project stage in which the risk can be expected	Risk severity (1—lowest, 5—highest)	Likelihood of occurrence/frequency of occurrence (1—nearly impossible, 5—nearly certain)	Risk prevention/elimination methods
Technical risks			
Financial risks			
Operational risks			

Financial Plan

Total cost of wages and bonuses	CZK 0.00
Total cost of scholarships	
Total operating costs	
Staff travel costs	
Total cost of services	
Total cost of tangible and intangible assets	
Total project costs	

Scholarship costs		
Name and surname	Total scholarship costs	Comments for the budget

Operating costs	
Item — substantiation	Requested financing

Cost of services	
Item — substantiation	Requested financing

Cost of tangible and intangible assets ³	
Item — substantiation	Requested financing

³ Offer(s) must be included in the project proposal for all costs of tangible and intangible assets in excess of CZK 80,000 and CZK 120,000, respectively.
