We collect some personal information about our pupils and their families/carers/legal guardians during a pupil's application process to the school.

We will sometimes collect additional information from third parties such as the Education Authority, Department of Education, examination board or previous school attended by a pupil.

We mainly collect personal information about our pupils and their families/carers/legal guardians throughout the course of the pupil's time at the school, for instance when completing educational visit consent forms, from statutory curriculum assessments and throughout our relationship with a pupil when we are exercising our legal obligations as a public educational body and during our pastoral care.

WHY DO WE COLLECT, STORE AND USE THIS INFORMATION?

We will only use personal information when the law allows us to. Most commonly, we will use personal information relating to our pupils and their parents/families/carers/legal guardians where we need to comply with our legal obligations and where it is needed in the public interest for us to exercise our authority as a public educational body.

In some cases we may use personal information where it is necessary for our legitimate interests (or those of a third party) and your interests and fundamental rights do not override those interests. For example, the school has a legitimate interest in providing pupils with an

General CONSENT

Whilst the majority of the personal data provided to the school is required for us to comply with our legal obligations, some of that information is provided on a voluntary basis through parental consent (namely, a parent's/carer's/legal guardian's express agreement). A pupil aged 13 or over is considered capable of giving consent themselves and will not require express agreement from a parent/carer/legal guardian. However, if a child is not considered capable of giving consent themselves for example, due to an identified special educational need, an adult with parental responsibility may exercise the child's data protection rights on their behalf.

Where we need consent, the school will provide the person with parental responsibility for a pupil or, with a specific and clear notice which explains the reasons why the data is being collected and how the data will be used. You should be aware if you do not consent to our collection of this type of data, this will not affect the standard of education we deliver to the pupil.

If we ask for your consent to use personal information, you can take back this consent at any time. Please contact the school if you would like to withdraw any consent you have given.

Please be aware that we do not need to obtain parental consent if personal data is to be processed for the purposes of obtaining counselling services for the child.

HOW LONG IS THE INFORMATION STORED FOR?

We will only keep personal information for as long as necessary to fulfil the purposes we collected it (for example, to educate and look after pupils) and including for the purposes of satisfying any legal, accounting, or reporting requirements.

We do not store personal data forever; we only hold pupil and family data for as long as we are legally able to do so. However, sometimes we will keep personal information for historical reasons (e.g. year group or sports team photographs) but you will always have a right to ask for it to be destroyed.

This is a link to the Department of Education Document Retention and Disposal Policy which can be found at <https://www.education-ni.gov.uk/publications/disposal-records-schedule>. This will give you more information about how long we keep personal information.

In determining the appropriate retention period for personal information, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances we may anonymise your personal information so that it can no longer be associated with you, in which case we may use such information without further notice to you.

DATA SECURITY

We have put in place appropriate security measures to prevent personal information from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your personal information to those employees, agents, contractors and other third parties who have a need to know. They will only process personal information on our instructions and they are subject to a duty of confidentiality.

We have put in place procedures to deal with any suspected data security breach and will notify you and any applicable regulator (currently the Information Commissioner's Office) of a suspected breach where we are legally required to do so.

WHO WE SHARE PUPIL INFORMATION WITH

We may have to share pupil and their family's data with third parties, including third-party service providers and other bodies such as:

WHY WE SHARE PUPIL INFORMATION

We do not share information about our pupils with anyone without consent unless the law and our policies allow us to do so. We only permit access to personal data for specified purpose and in accordance with our instructions.

We are required to share pupils' data with the Department of Education and/or the Education Authority on a statutory basis. This data sharing underpins school funding and educational attainment policy and monitoring. We also share information with the NHS or a pupil's destination upon leaving school.

Schools Census

The Department of Education has a legal right to ask for particular information under the Education and Libraries (NI) Order 2003 and is referred to as the "School Census". This information includes information on pupil characteristics such as date of birth, gender, ethnicity, religion, free school meal entitlement and special educational needs status. A number of statistical releases are made available through the Department of Education website covering data on enrolments, participation rates, pupil teacher ratios, school leavers, attendance and school performance

TRANSFERRING INFORMATION OUTSIDE THE EEA

We will not transfer the personal information we collect about you to any country outside the EEA without telling you in advance that we intend to do so and what steps we have taken to ensure adequate protection for your personal information in those circumstances.

YOUR RIGHTS OF ACCESS, CORRECTION, ERASURE AND RESTRICTION

Under GDPR, pupils/parents/families and carers have the right to request access to information about them that we hold. To make a request for your personal information, or be given access to your child's educational record, contact the Principal at Sunnylands Primary School (028 93362333)

We may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it.

Under certain circumstances, by law a parent/carer/legal guardian or a child over the age of 13 (who is considered competent to do so) has the right to:

- **Request access** to personal information (commonly known as a "data subject access request"). This enables you to receive a copy of the personal information we hold about you and your child and to check that we are lawfully processing it. You will not have to pay a fee to access your personal information (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is clearly unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.
- **Request correction** of the personal information that we hold about you and your child. This enables you to have any incomplete or inaccurate information we hold corrected.
- **Request erasure** of personal information. This enables you to ask us to delete or remove personal information where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal information where you have exercised your right to object to processing (see below).
- **Object to processing** of personal information where we are relying on a legitimate interest (or that of a third party) and there is something about your particular situation which makes you want to object to processing on this ground. You also have the right to object where we are processing you and your child's personal information for direct marketing purposes.
- **Request the transfer** of your personal information to another party, for instance a new school.
