Area Partnership

Draft

MINUTES OF CLUN TOWN COUNCIL MEETING

Meeting of the H&L AP,

Wednesday 9th Sept. , 7-9pm

The Town House, Haddington

Meeting Chaired by: Douglas Proudfoot, (Interim Chr) Head of Development, ELC (DP)

Members present

Gordon Crawford, Yester Parent Council (GCr)
Craig McLachlan, Gifford Community Council (CM)
Douglas Reynolds, Bolton Steadings TRA (DR)
Tom Trotter, Elected Member, ELC (TT)
Paul Darling, Haddington Community Council (PD)
John McMillan, Elected Member, ELC (JM)
Phillip White, Garvald and Morham Community Council (PW)
Frances Wright, Haddington Community Development Trust (FW)
Loreen Pardoe, Support from the Start

Substitute Members present

Paul Sales, Bolton Steadings TRA (PSa)
Ron Pearman, Haddington Community Sports Hub (RP)
Alastair Beck, Humble E&W Saltoun and Bolton Community Council (AB)
Penny Short, Garvald and Morham Community Council (PS)
Nick Morgan, Gifford Community Council (NM)
Jane Hobbs,, Haddington Infants Parent Council (ET)
Karen Stevenson, Haddington Community Development Trust (FW)

Others in attendance

Stuart Gibb, Area Manager, ELC (SG)

AP

Meeting 30th April 2014

Doug Haig, East Lothian Council (DH)

Kaela Scott, Local Community Planning Officer, ELC (KS)

Mandy Smith, Community Wardens (MS)

Apologies received

Brian Baillie, Haddington East TRA (BB)

Alan Dunton, Haddington East TRA (AD)

Rosemary Greenhill, Humble E&W Saltoun and Bolton Community Council (RG)

Elaine Towler, Haddington Infants Parent Council (ET)

Gill Colston, East Lothian Health Network (GC)

HELD AT THE MEMORIAL HALL ON TUESDAY 5th December 2023 AT 7.30PM

<u>Agenda Item</u>	<u>Key discussion points</u>	<u>Action</u>
<u>PRESENT</u>	<u>APOLOGIES</u>	
<u>1. Welcome</u> Cllr. R Davies	<u>DP welcomed all attendees to this meeting of the Area Partnership and confirmed that the meeting was quorate.</u> Cllr. J. Limond	
<u>2. Approval of Minutes</u> Cllr. M. Duffee	<u>Minutes from the 24th June were approved without amendment.</u>	
<u>3. Matters Arising</u> Cllr. R. Andrews	<u>DR raised a number of concerns following the last meeting:</u> <u>- he questioned the governance of the Partnership, particularly how decisions had been made at the last meeting.</u> <u>- he queried how budgets were being monitored and reported on.</u> <u>- he felt the Partnership had not been given sufficient information about the proposals (particularly the on-going revenue implications of the Athelstaneford skatepark and the conditions of the Viridor grant)</u> <u>- he suggested that the Partnership was making decisions on an ad hoc, first come basis</u> <u>- he questioned the priority setting process that the Partnership had undertaken to underpin the plan – noting that he felt a key priority that had been overlooked was care for the elderly in the area, particularly over the winter and in more isolated areas.</u> <u>DP (chair) responded to say that, while the allocation of budgets in this, our first year, may be more responsive than they will be in future years with our Area Plan fully developed – that all decisions regarding the allocation of funds had been made within the procedures established in the Area Partnership Standing Orders and were in line with goals identified and prioritised in our draft Area Plan.</u> <u>- CM expressed the view that the budgets were there to be spent and when they were able to be used to help clearly valuable local projects, and particularly to lever in wider funding for the area these opportunities should not be wasted.</u>	

<u>Agenda</u> <u>Item</u> PRESENT	<u>Key discussion points</u> APLOGIES	<u>Action</u>
	- <u>Members confirmed their support of the key priorities in the draft Area Plan and expressed their general agreement with CM's position.</u> <u>SG explained that it was part of his role to monitor the budgets devolved to the Area Partnership, and that there were clear procedures in place to ensure that any money granted to an external organisation was used for its intended purpose and its impact reported back to the Area Partnership.</u> <u>He further noted that he would be providing a budget update as part of his Area Manager's report.</u> DRAFT <u>KS clarified that the Athelstaneford skate park proposal had been raised at short-notice by a member of the Partnership (EA) as unexpected circumstances had imposed a deadline on the decision to ensure that the Viridor funds granted could be retained. A brief background paper had been distributed at the meeting and EA explained the situation to members requesting help with the Athelstaneford Parent Council project (which was already included in the draft Area Plan)</u> - <u>KS confirmed that as this was a Athelstaneford Parent Council project it was their responsibility to ensure on-going maintenance / adoption by ELC (which they have done) and also to meet any conditions of the Viridor grant. H&L AP are simply providing the last outstanding amount of money required to deliver the project..</u> <u>East Lothian on the Move</u> <u>NM updated the meeting about the East Lothian on the Move public consultation event earlier in the week which was looking at smarter travel choices in the area.</u> - <u>He noted that while attendance had been poorer than hope that some interesting ideas and projects were coming out of it which will help identify some key, practical actions for inclusion in the Area Plan and Local Transport Strategy.</u> - <u>He reminded members that this was just the first stage of the project and encouraged them to engage with the project as it moves forward.</u>	

Agenda Item PRESENT	Key discussion points APLOGIES	Action
4. Election on a Chair (and Vice Chair) Cllr. B. Angell	DP noted that we had received 1 nomination for the role in advance of the meeting from Craig McLachlan and asked if there were any further nominations from the meeting. There were no further nominations. CM addressed the meeting to state that he would be very happy to take on the role of the chair and noted how pleased he was to see the Partnership moving on and beginning to deliver for this community. DP called for a vote of members in support of CM as chairperson. The vote was carried with 1 abstention. Decision: CM has been duly elected as Chair of the Haddington and Lammermuir Area Partnership DP asked if there were any nominations for vice –chair. There were none forthcoming so DP and CM asked all member to consider themselves for this role before the Annual Public Meeting and get in touch if they wanted additional information.	
5. Area Manager's Report 6. Moving forward with the priorities and actions identified in the draft Area Plan Cllr W. Shepherd	<u>Town Centre Working Group and Signage Walkabout</u> Following the last meeting JM co-ordinated a town centre walk-about to look at signage – with some very useful projects identified. This will feed into the work of the Town centre sub-group – which has also had a 1st meeting, bringing together ELC officers, HCDT, HADAS, HCC, HBA and AP representatives to co-ordinate taking forward the key goals of the Haddington Vision. <u>Work with Community Broadband Scotland to deliver rural Broadband</u> SG admitted that progress on this has not been as fast as we had hoped and felt that mixed messages from CBS were the main reason for this delay. He reported however that there was a meeting scheduled for the 29th Sept with senior staff from CBS to re-look at how things could be advanced in East Lothian and he was hopeful that this would result in a more concrete project and timetable. <u>Shared use of the Garvald school bus</u>	SG: to continue to develop this group and work with them to develop recommended actions for the Area Plan

<u>Agenda</u> <u>Item</u> PRESENT	<u>Key discussion points</u> APLOGIES	<u>Action</u>
	<u>SG reported that he had met with Ian Dalgleish from ELC Transport regarding this and been informed that since this service was operated by AC Taxis there was no capacity to take fares and this would make it impossible.</u> - <u>Members commented that the Garvald bus was not an AC Taxi minibus and therefore this logic did not seem to apply</u> - <u>AB commented that the need to improve public transport to the rural area was prioritised over a year ago and should have been included in the last supported bus contracts but as of yet there were no real improvements of the ground. He stressed the need for there to be more creative thought put into how these needs could be met and encouraged SG to push harder.</u> - <u>DR suggested the need for an community taxi service</u> - <u>KS noted that some of these things were being looked at as part of the On the Move project.</u> <u>SG agreed to revisit these matters with relevant ELC staff.</u> <u>Haddington Skatepark</u> <u>SG reported that a bid for £50,000 had been made to Viridor which, if successful would combine with the money already raised and £22000 secured from the Local Housing Partnership to enable delivery of the project. He also spoke about the on-going engagement that had been underway with local residents, the HE TRA, the football club and transportation colleagues to ensure safe access and parking were built into the proposals.</u> - <u>DR raised concerns about ongoing maintenance of the facility and questioned whether this would have revenue implications for the Partnership.</u> - <u>PD confirmed that the equipment supplied has a 30 year guarantee and that the skatepark will be adopted by ELC as part of their regular upkeep of the park.</u> - <u>DH and PD also confirmed that the skatepark working group are continuing to fundraise locally for the project – funding that can be used to support the launch if not required for the build</u> - <u>SG also reported that there are opportunities for road calming and parking improvements (up to 22 spaces) to be integrated into work in the area, and that this was something he was following up and would update the Partnership in due course.</u>	SG: to pursue

<u>Agenda</u> <u>Item</u> PRESENT	<u>Key discussion points</u> APOLOGIES	<u>Action</u>
	<u>DP drew the membership's attention to the proposal circulated in advance of the meeting (Appendix1), to allocate funding to the Skatepark project as a 3rd party contribution to release Viridor funding if the grant is successful, and asked for the Partnership's support.</u> <u>- Allocating this funding was agreed by majority</u> <u>Decision: the H&L AP will provide funds up to £5091 to meet the 3rd party contribution required to release the Viridor funds if the application is successful.</u> <u>Tour of Britain</u> <u>SG reported that his event had taken place that day and seems to have been very successful and well supported.</u> <u>Youth Priorities Sub-group</u> <u>This group has not yet met although a range of related discussions have continued.</u> <u>- LP reported that the bid made jointly by support from the Start and the Sports Hub to undertake a feasibility study related to increasing flexible use of the Neilson Park Pavilion had been unsuccessful. The group was now considering other options to take this work forward.</u> <u>- SG reported he has had difficulties making progress with Enjoy to extend some of their youth activities and has yet to be able to organise a meeting.</u> <u>- SG reported that conversations were continuing to between staff and Knox to re-initiate the homework club at the Nungate – the biggest issue at present however is sustaining ongoing access to the facility.</u> <u>SG referred to the 2nd funding proposal distributed in advance (appendix 2) – to fund a RUTS programme for targeted young people from Knox during the October break – linking it to the opportunities being looked at by the youth sub-group.</u> <u>Mandy Smith spoke to this proposal and clarified why this was a discounted offer and she felt an opportunity that should not be missed.</u> <u>- TT, CM and DR spoke in support of the proposal</u> <u>DP called for a vote and the proposal was agreed by majority.</u>	<u>SG: to notify members if the Viridor application is successful</u>

<u>Agenda</u> <u>Item</u> PRESENT	<u>Key discussion points</u> APLOGIES	<u>Action</u>
	<u>Decision: the H&L AP will provide £400 to support this.</u> <u>Road Safety Sub-group</u> <u>SG re-issued the call for member groups to identify local issues / short term priorities for consideration by this group. Potential projects should be sent to H&L-AP@eastlothian.gov.uk</u> <u>CM stressed the importance of members becoming involved in the sub-groups as this is where the real work needs to be done. He encouraged members to consider where they could assist and contact SG to volunteer.</u> <u>Budget update</u> <u>SG provided a verbal update regarding the budget and agreed to send a more formal statement to members following this meeting.</u> <u>Our General budget for this current financial year is £50,000.</u> <u>To date the Partnership has committed £2,297 as contribution to Athelstaneford skate park (Agreed 24th June 2015)</u> <u>With the allocations made today this leaves £42,212 still to be allocated.</u> <u>To date the only allocation from the £50,000 Roads Capital Budget is the £5,000 for a reactive speed sign and 2nd NAL socket for East Saltoun (Agreed 24th June 2015).</u>	

<u>Agenda</u> <u>Item</u> PRESENT	<u>Key discussion points</u> APLOGIES	<u>Action</u>
	DRAFT	Members: <u>identify specific issues / projects to establish a long list of possible actions for the sub-group to work from.</u> Members: <u>Contact SG if interested in one of the Sub-Groups.</u>

<u>Agenda Item</u> PRESENT	<u>Key discussion points</u> APOLOGIES	<u>Action</u>
7. Planning for the Annual Public Meeting Cllr M. Wooldridge	<u>KS reminded members that there was a requirement for the Area Partnership to host an Annual Public Meeting as an opportunity to display and consult on the Area Plan with the wider community of the ward.</u> <u>It was felt the provisional date identified (7th October) was too soon to organise this and a new date 21st October was agreed.</u>	KS SG and CM : <u>to meet and set a framework for the event and involve other members as needed.</u>
8. AOCB Cllr. D. Morris	<u>Local Government Boundary Commission - Consultation (22nd Oct.)</u> <u>KS referred to the information regarding the proposed changes to the ward boundaries that had been distributed in advance of the meeting and asked whether the Partnership wanted to make a response.</u> - <u>DR questioned whether disruption to the Partnership working was really a reason to oppose the new boundaries</u> - <u>PS, CM, TT, GC all spoke about the impact the change would have not only on local planning in relation to breaking up natural communities, dividing school clusters and the practical implications of re-aligning Partnerships, priorities and workloads.</u> <u>DP asked the members to vote on whether we should make a response opposing the changes on behalf of the Partnership</u> - <u>The vote was carried by majority</u>	Members: <u>to contact KS with comments for inclusion in a draft response</u> KS: <u>to draft a response and circulate for comment in advance of submission</u>
9. Date of Next Meetings Cllr. R. Bowles	<u>Annual Public Meeting - Wednesday 21st October, Knox Academy</u> - <u>7pm for members</u> - <u>7:30pm for public attendees</u> • <u><i>This will be the first APM of H&LAP where a community chairperson will be appointed and the draft Area Plan will be presented to the wider public for consultation</i></u> <u>Wednesday 18th November, 7-9pm, venue tbc</u>	<u>Please send any apologies to: h&l-ap@eastlothian.gov.uk</u>

~~ALSO IN ATTENDANCE~~

Mr. Gwilym Rippon (clerk)

There

~~DRAFT~~

Haddington & Lammermuir Area Partnership

Proposal to allocate
Skate Park Project

funds to the Haddington

Background

In a survey carried out in 2011 by Urban animation on behalf of (what subsequently became) Haddington Community Development Trust a Skate park was identified by the Young People in the Area as a primary requirement. Haddington Community Council (HCC) then became involved in this project when a Young Person wrote to them asking for their support. In May 2015 the Haddington and Lammermuir Area Partnership agreed to support the development of the Skate park project under auspices of the Area Partnership as this was identified as a Goal to be delivered under the draft Area.

Land for the project has currently been identified in front of the football pitches on Whittingehame Drive, Haddington and ELC Amenity Services are fully supporting the project and have agreed to 'adopt' the skate park on completion for maintenance etc.

Over the summer period a number of workshops have been held with some Young People culminating in ELC Amenity Services carrying out a tender / procurement exercise. The winning bid came from Wheelscape (<http://www.wheelscape.co.uk/>) a Company who specialise in bespoke Skate park design and construction and the project was identified as having a total budget cost of £107,750 (see over for details). To date all but £50K has been raised from a number of sources in funding for this project and a subsequent bid for this amount was made to Viridor Credits at the start of August 2015. A decision on this is expected imminently.

When Viridor Credits awards funding it awards a gross amount to the applicant (in this case HCC) and for this amount to be released a payment of 10% of the award (i.e. £5K) is required from a Contributing Third Party (that is neither the applicant Organisation i.e. HCC nor Viridor Credits) to Viridor Waste Management.

Current Project Budget

was 1 member of the public present and 1 potential new Minutes Clerk.

<u>Total Project Value</u>		<u>£107,750A</u>	<u>Notes</u>
		agenda item	
<u>ELC Contribution</u>		1. <u>£20,000</u>	<u>Land, clearance, landscaping</u> ATTENDANCE AND APOLOGIES
<u>118-2023</u>			
		Please see above. The Mayor thanked all for their attendance	
119-2023	2.	DECLARATION OF ANY DISCLOSABLE PECUNIARY INTEREST IN A MATTER TO BE DISCUSSED AT THE MEETING	
<u>Cash raised by HCC in fundraising</u>		<u>£4,000</u>	a) <u>Approved</u> All members have an interest in the Clun Memorial Hall b) To declare any personal interests none
<u>Haddington Common Good Fund</u>		<u>£5,000</u>	<u>Approved</u>
<u>HCC Additional contribution</u> 120-2023		3. <u>£2,000</u>	<u>Approved</u> MAYOR'S REPORT
<u>Haddington Community Development Trust</u>		<u>£5,000</u>	<u>Approved</u>
<u>Haddington Local Housing Partnership</u>		<u>£21,750</u>	<u>Approved in principle</u> There has again been a raft of activity over the last 4 weeks. Much of which we will discuss this evening.

However, firstly I'd like to thank everyone involved in the various projects being undertaken. Again, for the smallest town in Shropshire, I think pro rata we probably are one of the busiest. The transfer of asset concerning the churchyard continues to rumble on and Cllr Angell has helpfully put a paper together to discuss this in more detail along with recommendations on a way forward.

It was good to see a big crowd at the Remembrance Day service with myself and Cllr Duffee representing the Town Council on a very cold and wet morning—possibly one of the bigger turnouts for a number of years. This followed a lunch with the Royal British Legion members alongside Philip Dunne and his family.

One matter which suddenly crept up yesterday evening was a letter received from a member of the Clun Mill group highlighting the concern that the property is 'under offer.' This is a quite a serious issue for a number of reasons. 1) We could lose the facility which is nationally known (2) the economic impacts for other businesses within the town, both negative and positive and (3) perhaps the one which will be a big issue to many who can't get on the property ladder in the area, a large property potentially falls into private ownership for a very cheap price, which once converted will become a substantial residence with a very big price tag. Obviously this is currently speculation as we are unaware of who the purchaser is.

		However, if not already done, there is a call that the Mill is registered with Shropshire Council as a community asset. If we are to go down this route we need to act fast before the property is officially sold. In other news, Cllr Bowles attended the Nature Recovery Conference and has provided a useful note of proceedings within your document packs and I'm sure we can discuss the requirements to undertake a local nature recovery strategy, which legally needs to be undertaken by all councils. I welcome further discussion later on in the proceedings.
121-2023	4.	PUBLIC SESSION
<u>Viridor Credits</u>	<u>£50,000</u>	(i) — <u>Decision awaited. 10% of award is required to release funds</u> Shropshire Councillor Report Council Finances have been in the news again, with Council Leader Lezley Picton in the press very gloomy about the Council's ability to continue to fund the ever rising cost of Adult Social Care, currently taking up over 80% of its current budget. Looks as if she feels the Council is on course to find £47M of the £51M target in this financial year but rising costs mean that the Council will be faced with an extra bill for £20M just to meet its statutory duty delivering Social Care — This would mean as things

stand that next year's budget is already looking at a £23M shortfall, so the Council will need to cut all but essential services to have a chance of keeping within its budgets. She does not want to issue a Section 114 notice (effective bankruptcy) although it's been considered by the Cabinet. This means that services like the £26M spent on libraries, to mention only one well regarded service, might have to go next year. All will be revealed when she publishes her forward budget plan in the next few days.

- The South West Shropshire Area received another blow the other day when the new Portfolio holder for Highways, Cllr Dan Morris again refused to come down to a Joint Area meeting covering the Clun, Bishops Castle & Chirbury Divisions at Spare Theatre to tell us what Highways are doing or not doing to keep up with repairs on the roads. This was a bit of a shock, he had already refused to come out just to Clun, but there has never been an occasion I or my Council colleagues can recall when a Highways Portfolio holder has refused to engage with the community in this way. Cllr Morris says that "it's not a good use of resources". Ryan has a copy of the email refusal so may want to expand on where we go now, neither I nor my colleagues feel like leaving it there, similarly the Mayor of Bishops Castle.

- The road resurfacing works in the Town are going ahead as planned between the 11th & 15th December,

		advance signage should be up & letters have gone out to affected properties. Churchbank should have had emergency patching carried out & longer term needs 3 sections properly patched & Divisional Surveyor Andy Keyland has been tasked with finding the quickest solution to get this done. - The Council's Tree team has been granted £12,531 for a community orchard project in Shropshire, any Parish or Town Council are now able to apply for fruit trees to create their own community orchard and further funding is available from DEFRA for landowners to plant more trees on their land (Over the last two years this scheme has supported 27 agroforestry schemes and planted a total of 14,410 trees across Shropshire. (ii) Police Report See newsletter for wider crime report. Few Clun crimes: assault, firearms non-compliance, malicious communications—all suspects identified. Growing concerns currently are RTC's and rural theft. We now have a Streetwatch volunteer—observer role. Cllr. Angell: question regarding support available to combat inconsiderate/obstructive parking. Police to include in Chronicle report but unable to enforce if no existing parking
--	--	--

		restrictions and unable to issue warning notice if not present at time. (iii) — Public comments Chair of Clunbury Parish Council John Croxton raised concern about refusal by Dan Morris Highways Portfolio holder at Shropshire Council to attend two meetings recently offered, with no acceptable reason.
122-2023	5.	APPROVAL OF MINUTES
		Minutes from meeting on 7th November 2023 were approved. Proposed by Cllr. Angell and seconded by Cllr. Shepherd
123-2023	6.	INFORMATION FROM THE MINUTES
		None
124-2023	7.	CLERK'S REPORT
		From Task sheet: Powell's Lane streetlight money paid but now Shropshire Council embargo on street closures so National Grid can't get closure for works until Jan. Purple streetlight — now standard Letter sent regarding Shropshire Council Pension Fund

		Regalia not yet ordered owing to potential change. Action: Clerk to order regalia as previously agreed. Clun Mill ACV request not yet submitted as under offer. See also item 12. Action: Clerk to submit request this week to Shropshire Council to register Clun Mill as ACV
125-2023	8.	PLANNING
		To consider the following planning applications and other planning matters 1. 23/05049/FUL Application for demolition of existing cattle shed, erection of proposed cattle shed including yard and cattle race covering. Hill House, Church Bank, Clun, Craven Arms, Shropshire SY7 8LP ———— Council response: support 2. 23/05010/FUL Application for demolition of existing garage, rear extension and porch and erection of new garage and rear extensions. 20 Newport Street, Clun, Craven Arms, Shropshire SY7 8JZ Council response: support with one abstension 3. 23/04698/FUL Application for proposed first floor extension with balcony and garage conversion. Upper Clairmont Kidd Lane Clun Shropshire SY7 8LN Council response: support with extra sentence included in our standard paragraph suggesting consideration of alternative heat source e.g. heat pump, in light of planned removal of oil fired system
126-2023	9.	ASSETS OF THE COUNCIL

		1. Town Hall Cllr. Shepherd: we have 2 quotes under consideration for re-rendering of West wall, both have good health & safety and insurance arrangements but very differing costs. Action: Cllr. Shepherd to investigate further and report at next council meeting. Cllr. Shepherd: Shropshire Highways network manager has confirmed that will advise regarding road closure when contractor has scaffolding plan available. Potentially will need expense of traffic lights. Cllr. Bowles: brief update regarding grant application — we will be informed by end of December whether application successful or not. 2. Public toilets update on maintenance Cllr. Andrews: No problems currently. Action: Clerk to employ Graham Dudley to install key safe. Cllr. Angell: need to replace missing/damaged/insufficient litter bins in Bridge Car Park. Proposed by Cllr. Angell, seconded by Cllr. Andrews, passed unanimously. Action: Clerk and Cllr. Davies to choose and order 1 large and 1 small bin for up to approx. £1000. To be delivered to Cllr. Andrews address. Cllr. Angell: need to fix picnic bench more securely as currently upended. Action: Clerk to contact Zoe Mortimer Shropshire Council to ask if we can take on this bench asset. 3. Street lighting Cllr. Morris: Lights 12, 13, 14, 15, 17 are all out — no lights on in The Square (other than Christmas lights). Has contacted Shropshire Council as matter of urgency, response that it will be done in next round of work. Action: Cllr. Morris to send details to Cllr. Davies Action: Cllr. Davies to contact Shropshire Councillor Nigel Hartin to expedite. Other street concerns
--	--	--

		Cllr. Wooldridge: railing dangerously damaged on footpath from Clun Memorial Hall to Newport Street. Council believe this to be Shropshire Council responsibility. Action: Cllr. Wooldridge to report on FixMyStreet including photographs. Response from FixMyStreet will provide information on whether responsibility does lie with Shropshire Council.
127-2023	10.	NATURE RECOVERY STRATEGY
		Cllr. Bowles: reporting back from Parish Councils Nature Recovery Conference in November, Council has a statutory responsibility to produce and action a local biodiversity policy, as part of the Shropshire Council Nature Recovery Strategy. Cllr. Bowles recommends that council request advisory Clun Climate and Environment Group to produce draft biodiversity policy and actions, to be presented to council at February council meeting. Agreed. Action: Cllr. Bowles to contact CCEG as above. Cllr. Angell: important that we regularly review progress made by Shropshire Council in their Nature Recovery Strategy. Important to note that council don't own any green spaces, but will support others that do. Cllr. Shepherd: potential to contact diocese regarding possibilities for old orchard area.
128-2023	11.	CLOSED CHURCH YARD
		Cllr. Angell explained main points from his document summarising legal position and guidance regarding closed churchyards. Due diligence essential to avoid unforeseen liabilities, important to understand standards required and when Faculty applications required. Need to record agreements and details of responsibilities for future councils. Need to know correct legal process is being done and dates for legal responsibility. Action: Clerk and Cllr. Davies to obtain written agreement from Frank Nicholls regarding dates of 12-month informal period before council receive and consider formal notice to resolve on whether to take responsibility. Cllr. Angell: Recommendations:

		1. Resolve to establish a Closed Churchyard and Civil Cemetery Advisory Working Group 2. Resolve to adopt the Terms of Reference (see his document for terms of reference) 3. Resolve to set a date in first 2 weeks of January with the Parochial Church Council to start the process of clarifying the details, priorities and processes of work to be done. Council agreed above recommendations. Advisory working group to include Cllr. Angell, Cllr. Andrews and Cllr. Davies, with other non-council members to be co-opted. Action: Cllr. Shepherd to employ structural engineer for retaining walls at churchyard and cemetery and to send his details to Cllr. Angell, Cllr. Andrews, Cllr. Davies. Proposed: Cllr. Duffee, seconded: Cllr. Angell, passed unanimously. Action: Clerk to send full document on closed churchyards to Cllr. Angell, Cllr. Andrews, Cllr. Davies.
129-2023	12.	CLUN MILL
		Cllr. Davies: has received email from Daniel Farrell of “Save Clun Mill Group” asking council to request that the mill be registered as ACV. See earlier action in item 7. Cllr. Davies has replied expressing support from council and copied in Philip Dunne for information. Action: Cllr. Davies to invite representative from “Save Clun Mill” to attend council meeting.
130-2023	13.	TO RECEIVE REPORTS FROM GROUPS OR MEETINGS ATTENDED
		deferred
131-2023	14.	CLUN CLIMATE AND ENVIRONMENT GROUP
		deferred
132-2023	15.	FINANCE
		1. To receive the Bank Reconciliation Received.

		2. To receive the grant policy update Action: Clerk and Cllr. Davies to consider possible windows and dates for grants and report back to council. 3. To agree the national pay award of £1.00 per hour Agreed. 4. To discuss the budget and precept demand for 2024/2025 Deferred in light of likely extensive discussion and already currently beyond standard length of meeting. January meeting to be dedicated to this matter as far as possible. Action: Cllr. Wooldridge to email budget questions to Clerk and all councillors. Action: Clerk to email further details of earmarked reserves and more detailed expenditures under each heading to all councillors. 5. To approve the following invoices for payment a b e All approved.
133-2023	16.	CORRESPONDENCE
		none
134-2023	17.	INFORMATION FROM COUNCILLORS
		Cllr. Angell: requested council approval to write to Head of Highways to request reconvene Partnership Group in January, to assess progress with previously agreed plans. To include: agreed signage that was scheduled by end 2023 but not apparent yet and clarity about resurfacing work being carried out from 11th December before drainage work, unlike the planned schedule. All agreed. Action: Cllr. Angell to write to Head of Highways as above. Action: Cllr. Davies to ask Keir about planned drainage work.

135-2023	18.	AGENDA ITEMS FOR THE NEXT MEETING
		Budget and precept discussion and decision
136-2023	19.	DATE AND VENUE OF NEXT MEETING
		Next meeting to be held on Tuesday 2 nd January 2024 at Memorial Hall
		Signed by the Chair.
		Meeting closed 9.45pm

Proposal

Haddington Community Council are requesting that the Haddington and Lammermuir Area Partnership become the Contributing Third Party for this project and provide **£5,000 (or 10% of any award amount from Viridor Credits up to this figure)** to realise their plan for a Skate park at Whittingehame Drive in Haddington. This request links directly with the proposal identified in the current Draft Area Plan (Strategic Objective 3 / Priority 1 – “All areas of the Ward are equipped with the facilities required to support thriving local communities”). This facility will provide a high quality sporting and social facility that will be enjoyed by not only the Young People in Haddington but also those across also the wider Area Partnership. The Skate park has been designed for by skateboarders and also those who use roller blades, scooters and bikes. Throughout the design process particular emphasis has also been focussed on making this an inclusive facility so that wheelchair users can also benefit

Clun Town Council

with Chapel Lawn

Haddington & Lammermuir Area Partnership

Proposal to allocate funding for a 5 day RUTS Project for Knox Academy Pupils

Background

RUTS (Rural and Urban Training Scheme) was established in 1981, by a group of enthusiastic motor-cycling youth workers to provide activity based group work projects for young people. These projects used off-road motorcycling as an activity which took the interest of the young people involved and encouraged involvement, but at the same time provided opportunities for useful growth experiences such as team-work and taking instruction.

RUTS aims to equip young people with the confidence and skills required to achieve their highest potential and raise their aspirations. This is achieved through motorcycle and bicycle based programmes that are tailored to the individual needs of clients. Through this a positive difference is made to young peoples' lives and the communities they live in. The **activities are an extremely successful model of excellence for moving young people into positive destinations. Their programmes enable the acquisition of skills and qualifications producing more confident and assured transitions towards employment for vulnerable 14-19 year olds on the margins of society.**

For more info please see www.ruts.org.uk/

Proposal

The ELC Safer Communities Team wish to run the RUTS "Use and Care of handtools " course for 8 young people during the week 12-16th Oct 2015 (School holidays) and are proposing to do this outside the Corn Exchange in Haddington using a collapsible workshop tent, where two motorbikes are used to work on. The course programme consists of 4 days workshop and tool handling modules followed by a final day of off-road motor biking at Lamancha in the Borders. Participants will also have the opportunity to gain a qualification accredited to SCQF Level 4. This has already been run very successfully in Prestonpans and Wallyford.

The aim is to identify 8 young people who currently attend Knox Academy (through discussions with the school) and selection will be focussed on those who are currently experiencing behavioural difficulties as well as those who lack confidence. **This links to the Draft Area Plan through**

Clun Town Council

with Chapel Lawn

STRATEGIC OBJECTIVE 2 / PRIORITY 1 – “Supporting our Young People to fulfil their potential within the Community”.

The course is being offered at a total cost of £200.00 – a considerable saving on the normal cost of £500. With refreshments and meals the Safer Communities Team are therefore seeking a total of £400.00 from the H&L Area Partnership.
