Access to the social media used by our association

Facebook Group (closed to members)

The Lunt's Heath PTFA Facebook group is a closed group. This means that individuals can apply to join but this will need to be approved by the PTFA through the Facebook group administrators. Individuals requesting to join the closed Facebook group are required to answer a selection of questions to allow administrators to make a judgement on eligibility. Only approved members can see posts made to the group. However, once a member of the group, individuals can post and these posts will be seen by all other members of

the group who have been similarly approved. Other group members will also have the ability to comment on these posts.

Facebook Page (public)

The Lunt's Heath PTFA Facebook page is an open and public space. This means it can be viewed by any Facebook user without permission being given by Lunt's Heath PTFA. Restrictions have been put into place to disable the ability to comment on a Facebook page post. This is to remove the risk associated with allowing open commenting. The page is in operation to allow Lunt's Heath PTFA to share open events and to give thanks to people and businesses outside of the PTFA membership.

Instagram (public)

The Lunt's Heath PTFA Instagram page is an open and public space. This means it can be viewed by any Instagram user without permission being given by Lunt's Heath PTFA. Restrictions have been set up to disable the ability to comment on a PTFA Instagram post, to remove the risk of open commenting. The Instagram page is in operation to allow Lunt's Heath PTFA to share wider PTFA events and to give thanks to people and businesses outside of the PTFA membership.

Whatsapp Parent Groups (closed to invited participants)

Lunt's Heath PTFA's presence on the parent Whatsapp year groups is not from an administrative position but as parental representatives between the PTFA association and the school. Lunt's Heath PTFA is not responsible for the conduct and content of the Whatsapp group. Lunt's Heath PTFA group representatives will, however, assist Lunt's Heath

school's management team in moderating the Whatsapp groups, where deemed appropriate, by directing members accordingly to the Lunt's Heath School Social Media Policy, by which it is governed.

Any news or reminder messages sent from the PTFA will be labelled as a 'PTFA Message' accordingly to make a clear distinction between the views and position of the PTFA association and the PTFA parent/member.

Permitted members

The Facebook group of Lunt's Heath PTFA is only intended for members of the association – these being the parents, teachers, staff and approved 'friends' of Lunt's Heath school. Regulation is carried out through this being a closed group and members needing to gain permission to join from the PTFA's Facebook group administrators.

Lunt's Heath PTFA does not want to encourage inappropriate use of social media by children. No application to join our Facebook group will be accepted by anyone aged less than 13 years.

The Lunt's Heath PTFA Facebook page and Instagram account are both public. Posts can be viewed and shared by anyone using these social media platforms.

How this is used by our association

Lunt's Heath PTFA uses its closed Facebook group exclusively for the running of the association. It is used to communicate with members, promote

events or elements of events, to recruit volunteers to support the PTFA's activities, to develop a stronger community through discussion, to share good news and to canvass members' views.

The Facebook and Instagram pages are in operation to allow Lunt's Heath PTFA to share open events and to give thanks to people and businesses that support the association.

Usage that is not permitted

The various social media platforms used by Lunt's Heath PTFA are not intended for:

- Derogatory comments towards any other members or pupils
- Criticism of school policy, practices or staff
- Obscenity, nudity, defamation or hate
- Promoting businesses unless with permission from the administrators

Inappropriate posts will be removed by an administrator. The PTFA retains the right to ban any user at any time, particularly any who continue to make inappropriate use of the group.

Photographs

You may sometimes be invited to share photos of your child enjoying/participating in a PTFA or school led activity on the closed Facebook group. It is your choice, as the child's parent/guardian, whether or not to share a photo of your own

child. If another child is in a photo you intend to share, this must ONLY be shared with the parent/guardian's explicit consent. We promote the school's advice in keeping children safe online, by reminding and encouraging parents to not post photographs of the children in their school uniform or stating their names to help us to keep our children safe online.

It is explicitly assumed that anyone posting a photograph will own the rights to this image and will have the permission of any one featured. Lunt's Heath PTFA accepts no responsibility regarding ownership or permissions for any photographs posted by members of the group

Application of this policy

By using the Lunt's Heath Facebook group, you are accepting the terms of this policy. If you do not agree with any of the terms, please remove yourself as a member of the group.

Availability of this policy

This policy is publicly available through the website of Lunt's Heath school (www.luntsheathprimary.co.uk) and is made available on each of the PTFA administrated social media platforms for all members and users.

Endowment

Christian stewardship involves the faithful management of all the gifts God has given humankind—time, talents, the created world, and money. The ~~Episcopal Church of the~~

~~Holy Comforter Endowment Fund~~ became a permanent fund of the Church on December 20, 2004, when the Vestry approved the Plan of Operation for the Endowment Program. The Vestry approved an updated and revised plan in the *Endowment Fund Policies and Guidelines* on May 8, 2023. A copy of the plan may be obtained from the parish administrator.

~~Gifts from anyone, at any time, and in any amount are always welcomed, including cash gifts and memorial contributions. Endowment Funds also come from planned gifts in the form of bequests in a will or provisions made in a trust, as well as designations in insurance policies, annuities, retirement accounts, and real estate.~~

~~The Fund's assets are invested with the dual objectives of current income and long term growth. Every effort is made to maintain a prudent balance of assets, with an eye towards managing volatility and maintaining an appropriate risk exposure. The Plan of Operation stipulates that the Fund be allowed to grow in perpetuity as a true endowment to benefit future generations within the Church and throughout the community.~~

~~How are Endowment Funds Used?~~

~~Having an endowment fund is like standing strong with one foot in the present and one in the future, bringing a sense of permanence to our church programs and stewardship. The gifts endowed today will not be used up but will be available to help those who come after us to move forward with ministries beyond what may be possible through annual~~

operating funds. As we leave a legacy of faith, we also share our faith through an economic legacy of endowment.

~~The assets distributed from the general endowment fund are restricted to:~~

- ~~● mission and outreach,~~
- ~~● specific capital needs,~~
- ~~● and other purposes that support the mission and goals of the church.~~

A separate and designated sub-fund within the general endowment fund may be established for gifts in the amount of \$25,000 or more. In such a case, the donor may tailor the purpose of the gift to benefit a particular area of interest.

How are Endowment Funds Managed?

The Endowment Board, with Vestry approval, is entrusted with the administration of the Endowment Fund subject to all relevant public laws, Diocesan canons, and the policies set forth in the Plan of Operation. The Board consists of five parishioners appointed by the Vestry. Additionally, the Rector and the Senior Warden serve as ex-officio members.

Contributions intended for the Endowment Fund may be received by the Rector, the Parish Treasurer, or any Board member. Gifts of cash, certain personal property, and marketable securities will be accepted. Gifts such as real estate, personal property valued in excess of \$1,000, or any encumbered gift should be reviewed by the Endowment Board and the Vestry prior to acceptance for the Fund.

All gifts are placed in the Endowment Fund under the management of professional money managers selected by the Vestry. The Church Finance Commission monitors the performance of the Fund. A copy of the most current performance report can be obtained from the Parish Treasurer or the Finance Commission Chairperson.

The Vestry established that distributions from the fund would begin when the market value exceeded \$500,000; this level was reached in 2022. The Endowment Board is approved to distribute funds and will periodically consider, prioritize, and approve requests for distribution. Because the goal of the Board is to grow, or at least maintain, the purchasing power of the Fund, the distribution will be no more than five percent (5%). The distribution amount will depend on prevailing economic and market performance as well as inflationary effects. **Details on the Endowment and the application for funds are available on the church's Endowment website or from the parish administrator.**

Endowment Policy Statement

We recognize that Christian stewardship involves faithful management of all the abundant gifts God has given us. The Endowment Fund of the Episcopal Church of the Holy Comforter exists to encourage

and receive gifts in a faithful manner and in accord with policies of the Episcopal Church, the Diocese of North Carolina, and this parish. The Endowment Fund enables our parish, within specific guidelines, to better fulfill its mission in response to Jesus' continuing call to minister to others.

Each parishioner is a prospective donor to the Endowment Fund. Contributions are a faithful way to show love and respect, and to express your commitment to our Church and all it stands for.
