Climate Conversation Focus Group - discussion guide

Kingston Council would like to hear your views about the draft Climate Emergency Draft Action Plan.

We're inviting community groups and other organisations to carry out short focus groups **by the 30th November** to inform how we develop and deliver our action plan.

A copy of the action plan can be found at Kingston's Climate Conversation hub:
kingstonletstalk.co.uk/climate-conversation.

A Climate Conversation can be carried out by any group of people online. There are seven themes to be discussed, and you can find out more information on each of these by visiting the hub page above.

If your group would like to respond to multiple themes, please complete a discussion guide response for each one, so that we can accurately analyse the results.

If you would like to respond to this consultation on an individual basis rather than with a group, please visit the council's Climate Conversation hub: kingstonletstalk.co.uk/climate-conversation.

If you have any questions about the information provided, or need it in a more accessible format, please get in touch on the below email address with your email address and / or phone number and a preferred method of contact.

Once you've completed this discussion response, please return by the 30th November to strategy@kingston.gov.uk or by post to Communications Team, Guildhall 2, High Street, Kingston, KT1 1EU
