Mendocino County Community Corrections Partnership (CCP) – Public Safety Realignment

The Community Corrections Partnership (CCP) is responsible for the development of Mendocino County's annual Realignment (AB 109) Plan that advises the Board of Supervisors on specific programming and services needed to implement the provisions of public safety realignment.

The CCP recognizes the need to address community concerns and implement programming and services consistent with what research has shown to be the most cost-effective, evidence-based practices that promote positive behavioral change, reduces recidivism, lowers victimization, and increases public safety.

The CCP is committed to continuous analysis, and when needed, updating the Realignment Plan, including assessing input from the public and local stakeholders. The CCP will be reviewing requests for funding from external agencies at our February 13, 2025, meeting. If your agency would like to submit a proposal for funding for a program or services for the 2025-26 plan year, please complete the attached application and return to:

Mendocino County Community Corrections Partnership
Attn: Administrative Services Manager
589 Low Gap Road
Ukiah, CA 95482

Or by email at: CCP@mendocinocounty.org

Requests must be received no later than January 23, 2025

Application does not guarantee funding. The CCP will evaluate all requests and determine the suitability of the proposed program or service from both an operational as well as fiscal perspective.
