

Mixed Formatting Test

This paragraph has no direct formatting — everything comes from the Normal style.

This sentence is **bold and this word is red** — only bold and color should survive export as inline w:rPr.

Courier New 14pt override: back to normal style here.

Character Style Test

Normal text, then ***bold italic override which should export only w:b and w:i, not the inherited font/size.***

Minimal tracked changes fixture (candidate)

—— **Heading.** Body copy for repre
