- Review of last minutes of meeting – everyone agreed no changes were needed.
- Meeting started at 13:13
- Asked PPG members if they would like anything to be added on Agenda to discuss in todays meeting.
- Discussed 2025 national survey report for the Practice. Gave each patient a coloured copy of the report to review. Once they had reviewed results, they were then given a coloured copy of last years report to compare the scores.
- The report was explained by Practice Manager. This is a national survey sent out yearly to randomly selected patients each year and returned to the provider. The results are of those who have returned the survey. Once they compile the results along with all the other practices, they then publish the national data online and notify the Practices of their results.
- PM went through each question and compared the data with the PPG members. On each question asked the Practice improved the percentage compared to last year.
- PPG members were asked what the Practice could do to get more patients to engage with completing such surveys.
- When checking data online you can also check neighbouring practices, and we compared ours to our PCN practice and we could see a higher percentage of returned surveys for other practices.
- SN suggested we send out text messages when we know surveys will be sent out and if patients struggle to complete, we could ask them to bring into the Surgery to help.
- MN explained that as we are not the ones sending out the surveys, we wouldn't know which patients the survey gets sent too and this would mean we would have to send a text msg to all 6000 patients registered at the Practice.
- MN also highlighted that we do not want any influence on the answers provided and we would like honest feedback from the patients. The patients if they do come in for help may feel obliged to give better scoring than how they actually feel.

- Overall, we are satisfied the outcome of the survey results – we will try and educate the patients who attend the surgery and encourage them to complete such forms/surveys in the future.
- Also decided to display notices before they get sent out.
- Updated the members about not being able to prescribe Mounjaro and this needs to be done through weight management.
- BB asked when they will be able to book in for flu jab. MN explained Flu Season starts from October. MN also explained that the local pharmacies received the vaccines around 2-3 weeks before GP practices if they wish to have it sooner they can find out from their local chemist.
- The Practice has not yet received a confirmation date of delivery for flu jabs.
- Updates around the PCN clinics were shared.
- Meeting was kept brief due to summer holidays and many apologies.

Meeting adjourned 13:51

Next meeting: October 2025 GALVESTON COUNTY PROBATE COURT

Galveston County Justice Center
600 59th Street, Suite 2305
Galveston, Texas 77551-4180

Submitting Paperwork for Will Prove-ups and Heirships

It is the Court's policy to review, before the hearing, documents for probate prove-up hearings—not only for uncontested docket hearings, but also for most regular docket probate prove-ups. By reviewing documents in advance, the Court can ensure that hearings go more smoothly for participants who are already dealing with the stress of someone's death.

1. Initial filing of the Application

- E-file the application.

2. Do within 3 business days after E-filing Application to Probate a Will

- TRCP Rule 21(f)(12) requires that any original Will must be physically filed in the Clerk's office within three business days after the application is electronically filed.

3. Do before setting an Heirship/Administration Hearing

- Check on Service of Citation on—or waiver from—all non-applicant heirs and other persons requiring notice under Texas Estates Code §202.008.
- Check on Affidavit of Citation by Publication. (Clerk prepares citation; you publish and then file affidavit.) The Clerk's Office will handle the citation by publication on the website maintained by OCA.
- File Section §202.057 Affidavit or Certificate.
- Check on Consents from all heirs if seeking Independent Administration without Bond. Consents must be signed on or after the case has been on file with the court.
- If you are seeking a Dependent Administration, please have all asset amounts so a Bond can be set.

4. Do as soon as you set a probate prove-up hearing

- As soon as you set the hearing, please E-file all proposed hearing documents to the Court. The court can now sign Orders electronically and is the preferred method. We also have an electronic signature pad for all Oaths, Proofs and other documents the clients/witnesses can sign. Per Admin Order 2022-10, all documents must be on file 72 hours prior to the hearing or we will reset.
