Civil Aviation Safety Authority

I, SHANE PATRICK CARMODY, Director of Aviation Safety, on behalf of CASA, make this instrument under regulation 61.035 of the *Civil Aviation Safety Regulations 1998*.

[Signed S. Carmody]

Shane Carmody
Director of Aviation Safety

9 August 2018

Part 61 Manual of Standards Amendment Instrument 2018 (No. 2)

1 Name of instrument

This instrument is the *Part 61 Manual of Standards Amendment Instrument 2018 (No. 2)*.

2 Commencement

This instrument commences immediately after commencement of *Civil Aviation Safety Amendment (Flight Crew Licensing Measures No.1) Regulations 2018*.

Note *Civil Aviation Safety Amendment (Flight Crew Licensing Measures No.1) Regulations 2018* commenced immediately before the end of 31 August 2018.

3 Amendment of the Part 61 Manual of Standards

Schedule 1 amends the *Part 61 Manual of Standards Instrument 2014*.

Schedule 1 Amendments

[1] After section 14

insert

15 CPL(H) training — applicants under paragraph 61.615 (1B) (b) who have not completed integrated training

For paragraph 61.615 (1B) (b), an applicant for the commercial pilot licence (helicopter) (*CPL(H)*), who has not completed an integrated training course, must complete training in accordance with the requirements specified in Schedule 9.

[11] After Schedule 8

insert

Schedule 9 CPL(H) training for paragraph 61.615 (1B) (b) (non-integrated training courses)

- 1 For paragraph 61.615 (1B) (b), the minimum requirements for an applicant for the CPL(H) who has not completed an integrated training course are as follows:
 - (a) at least 105 hours of flight training must be completed in no more than 2 types or models of helicopter;
 - (b) for paragraph (a):
 - (i) the first 15 hours must be completed in 1 of the types or models of helicopter mentioned in paragraph (a);
 - (ii) at least 20 hours must be completed in each type or model of helicopter mentioned in paragraph (a);
 - (iii) at least 40 hours must be completed as dual flight training in any of the types or models of helicopter mentioned in paragraph (a);
 - (iv) at least 25 hours must be completed as pilot in command (but not as cross-country flight time) in any of the types or models of helicopter mentioned in paragraph (a);
 - (v) the final 30 hours of flight training actually undertaken must be completed within the 3 months immediately before the flight test.

Note Additional flight training may be undertaken, including tethered helicopter flight training and flight training in additional types of helicopter.

- 2 Subject to clause 3, for paragraph 1 (a), a type or model of a helicopter means the single-engine helicopter, or 1 of the single-engine helicopters, mentioned by name in a single cell of column 2 of Schedule 14 of the *Prescription of aircraft and ratings — CASR Part 61 Instrument*, of the Edition that is in force at the time of the particular flight training (the **relevant Prescription instrument**).

Note 1 The *Prescription of aircraft and ratings — CASR Part 61 (Edition 5) Instrument 2018* is the Edition of the prescription instrument that is in force immediately before the end of 31 August 2018. It is a legislative instrument, freely available on the Federal Register of Legislation. If and when a prescription instrument is superceded by a later edition, the earlier edition remains freely available on the Federal Register of Legislation.

Note 2 Although, for Schedule 14 of the relevant Prescription instrument, more than 1 type or model of helicopter in a single cell of column 2 may attract the same type rating on a pilot licence, each type or model of helicopter mentioned in a single cell of column 2 is to be considered a different type or model of helicopter for clause 1.

- 3 Despite subsection 2, the 2 helicopter types or models mentioned in the first cell of column 2 of Schedule 14 of the relevant Prescription instrument for the Sikorsky Aircraft Corp may be treated interchangeably as a single type or model.

Note These are the Hughes 269 (all piston engine models) and the Schweizer 300 (all piston engine models).
