

Snow White

By Annie Ng, Benson, Billy, Jane, Lisette

It is the year 2050 and time are different, artificial intelligence is the new era. Everybody is rich, unless they aren't, and you just received an invitation in the mail and proceed to open it. While doing so you are chatting with your AI.

"Oh Look () the prince is having a ball, he is looking to marry the fairest lady of the land."

"Can you picture it, ME as your future queen?!"

"This will be the ball of the century, everyone and their grandmother will be there trying to get a chance to be the next queen"

Are you up for the challenge?

- A. Yes
- B. No
- C. Maybe
