FR SOLOMON NGWUMEZIE

OBJECTIVE As a Roman Catholic Priest, I am passionate about the ministry of our Lord Jesus Christ, meeting the spiritual and religious needs of a diversity of people, and accompanying them along their journeys in life.

As an experienced healthcare chaplain, I have been able to provide a professional level of spiritual care to patients with high symptom burdens, complex psycho-spiritual needs, as well as end-of-life circumstances – committed to transcending cultural, religious, and ethnic barriers in my ministry. I am driven by a deep-seated dedication to follow in the footsteps of Christ's message of love and compassion.
