

Latinx Leadership Renewal Grant

2025 Application Instructions

Download a copy of the Application and save it to your computer. This way, you will be able to save information into the application form as you go. When your cohort has completed the application, you will email it to learnforlife@austinseminary.edu. No applications will be accepted after the deadline.

The entire application must be filled out to be considered complete. Your leadership team's answers to questions will be limited to the space provided—no additional attachments will be accepted.

MAC Users: Please fill out this form using Adobe Reader and **not** MAC Preview.

If you have any technical difficulties with the application, please send your questions to: learnforlife@austinseminary.edu.

Section One

Description of Church

Please answer the questions asked about your church. One of them asks you to tell us about the people in your congregation. This might include general ages of people in your church, the mix of long-time Christians and newer Christians, what brings them joy and what brings them sorrow, struggles and celebrations of the church, and anything else you would like to share.

This is followed by individual names and contact information for each leadership team member, with space to share each person's role and length of time in leadership. Leaders include people who are paid and who are unpaid but who serve in significant roles. Start with the pastor's information.

Primary Contact

Designate one member of the cohort to be the group's main contact person with the seminary.

Section Two

As a leadership team, answer the questions in the spaces provided.

1. Why is this an important time for rest, renewal, fellowship and learning for the leaders in your church? (word limit: 250)
2. What do you propose to do with the grant money for rest, renewal, fellowship and learning for the ministry leaders?

Timeline of actions—Begin with July 1, 2025; end with June 30, 2026. (limit to visible space on page)

Budget proposal

The budget proposal is formatted as a table. The first column is formatted as text to allow flexibility in how you describe your budget. The last column is formatted as a number and can only be used for this purpose. Limit to page provided.

If the total expenses are more than \$3,500, please include an explanation of how you will pay the expenses not covered by the \$3,500 grant award.

Section Three

The last question should be answered as a group, “What do you hope will happen as a result of what you do?” Limit your response to 250 words.

Be careful in your responses not to exceed word limits OR the visible space provided in each box. The applications will be printed out; therefore, the reviewers will not have the ability to scroll down on any boxes where the text is longer than the visible space on the page.

When you are finished, email your completed applications to learnforlife@austinseminary.edu no later than 11:59 pm CST on May 16, 2025. Awardees will be notified by June 30, 2025.
