Mrs. Dawn Cockrell, Principal
Mr. Brett Whitaker, Assistant Principal

Mrs. Lacy Gross, Counselor
Ms. Danielle Pleasant, FRC Director

Dear Mapleton Families,

On behalf of the staff at Mapleton Elementary School, I am excited to welcome you to the 2016-17 school year! Hopefully, the summer has provided you with many memorable opportunities to spend time with family and friends. It continues to be an honor and privilege to serve as the principal of such an exemplary and student centered school. As we prepare to embark on another year, I am reminded that the beginning of school is truly a special time, and we are eagerly looking forward to a productive partnership with you to ensure our children can achieve their highest potential.

While there will be minimal changes to our administrative, teacher, and support staff team this year, we are excited to welcome a few new staff members to second grade and a new instructional assistant. Our staff has worked tirelessly over the summer to prepare for a successful 2016-17 year.

Our goals this year will focus on continued **academic achievement, student leadership, and increased parent/community involvement**. To support our academic achievement goals, we will continue with the programs we have in place and begin the year with the following additional opportunities:

1. New student/teacher reading and writing materials to support our literacy initiative.
2. New math teacher/student materials.
3. Implementation of our STEM Lab classroom and increased technology integration. (The STEM Lab is a class in which all students will have the opportunity to participate. The focus of the class will be on integrating science, technology, engineering, and math. We are partnering with Project Lead the Way (PLTW) and will be implementing several of their units from the Engineering is Elementary program. One of the PLTW teacher leaders will be supporting our staff this year as we begin implementation of this exciting initiative. We are also excited to include Lego robotics units and after school opportunities within this classroom as well.)

Please mark your calendars for the following events:

- August 3, 2016: Jump Start Kindergarten (8:00 a.m. – 12:00 p.m.) – Students participating should have an application completed at the school.
- August 4, 2016: Kindergarten Open House (5:00-6:30)
- August 8, 2016: First – Fourth Grade Open House (5:00-7:00)
- August 11, 2016: Opening Day for Students!

School Start Time: 7:30 a.m. (Students may enter the classroom at 7:15. However, they can be dropped off at 7:00 and wait in the gym or have breakfast in the cafeteria prior to going to their classroom.)

School Dismissal: 2:30 p.m.

Parent/Family Involvement: We invite you to become an active participant in our school community through volunteering, joining our PTO, or attending and supporting school events. PTO will have an informational booth set up at Open House. We send updated events and information in our weekly school and classroom newsletters and through each child's student agenda.

It is my privilege and my pleasure to serve as principal of Mapleton Elementary, and I look forward to working with our talented educators, supportive parents, and amazing students again this year. Please contact me if I can be of assistance.

Sincerely,

Dawn Cockrell, Principal
Mapleton Elementary
