1. Contact Person (Name, Email Address, Phone Number)

Philip Tew, ptew@astate.edu, 8709723742

2. Name of proposed Certificate Program (Program must consist of 6-21 semester credit hours):

Business Fundamentals

3. Proposed effective date:

Spring 2024

4. Reason for proposed program implementation:

This certificate will allow students to develop basic business skills to use with their majors outside of the NGCOB – such as in Engineering, Computer Science, Journalism, Public Administration, and those in pre-professional programs who strive to own their own medical / dental / vet / PT / OT practices.

5. Provide the following:

- a. Curriculum outline - List of courses in new program – Underline required courses
ECON 2323 – Principles of Microeconomics
ECON 2113 – Business Statistics
MKTG 1013 – Introduction to Business
FIN 2013 – Personal Asset Management
ISBA 1503 – Microcomputer Applications
- b. Total semester credit hours required for proposed program
15
- c. New courses and new course descriptions
NONE
- d. Program goals and objectives
Students will use critical thinking skills to make decisions.
Students will use technology appropriately to communicate, calculate, and present concepts and data.
Students will demonstrate business knowledge.
- e. Expected student learning outcomes
Students will be able to apply budgeting skills to different scenarios
Students will demonstrate problem solving skills in a business context
Students will examine values and ethics in business settings
- f. Documentation that program meets employer needs
This certificate allows students from non-business fields to expand their career opportunities by attaching a certificate to their major. It provides these students with the language and concepts of business that they otherwise would not have developed.
- g. Student demand (projected enrollment) for proposed program
25 - 30
- h. Program approval letter from licensure/certification entity, if required (attach)
- i. Name of institutions offering similar programs and the institution(s) used as model to develop proposed program
University of California – Los Angeles, Georgetown University, Washington University in St. Louis, University of Wisconsin
- j. Proposed program review date (within 10 years of program implementation)
Fall 2028

6. Will this program be offered:

- a. **Traditional/Face-to-face** YES
- b. **Distance/Online** NO
 - i. If yes, indicate mode of distance delivery, and the percentage of courses offered via this modality (<50%, 50-99%, or 100%).
Enter text...
 - ii. If online, will it be offered through Global Initiatives/Academic Partnerships (AP)?
Enter text...
- c. **Concurrent (High School Students)** NO
Enter text...

7. Will this program be offered off-campus? NO

- a. If yes, identify the off-campus location
Enter text...
