George Fieber RN Nursing Practice Leader	Prior to COVID we had done some preliminary work on this by trying to get some input from our geriatricians, hospitalists and other physicians about them supporting the development of a standardized order set for ALC pts. That initiative is on hold for the time being but should be	 PAT-5-146.pdf

Thunder Bay Regional Health Sciences Centre Office: (807) 684-6691 Cell : (807) 629-0889	revisited in the near future. I am sending you our ALC policy in case it should be of some interest and I look forward to seeing what responses you get.	
Maggie Johnson RN, BScN <i>Professional Practice Leader</i> Georgian Bay General Hospital (705) 526-1300 ext. 5335 johnsonm@gbgh.on.ca	Attached is our ALC Order Set. This is fill out for any patient designated ALC regardless for they type of bed they occupy. Hope this helps.	 ALC Order Set July 2020 - V1.pdf
Melissa Pelletier, RN, BScN, CNeph(C) Clinical Educator Renal Program Professional Practice Royal Victoria Regional Health Centre pelletierm@rvh.on.ca	We do not have any order set For ALC patients. The MRP makes the decision to designate a patient ALC and identifies additional orders as needed on an individual basis.	

*Imbedding Attachments: When in a document, with the cursor in the place where you wish to insert another document as an icon, Go to Insert, choose "Object" (not 'file') choose "Create from File" browse for the file name from your directory, once found, check off "Display as Icon" select "OK" The document Icon now appears in this document where your cursor was positioned. Save the document you are working in and the imbedded icon with the document they relate to attached will also be saved to this document.
