

HOW TO REGISTER YOUR CHORUS/ENSEMBLE FOR UNISON FESTIVAL 2026 VANCOUVER

In order to register a chorus or small ensemble for Festival 2026 Vancouver, you must be designated as a *Chorus Administrator* for your chorus/ensemble in our [Integra Planner](#) software, and the chorus' membership dues must be current.

For the purposes of Festival, a CHORUS is defined as a member of UNISON Choruses in good standing, with at least 12 singers. An ENSEMBLE is defined as a sub-group of a member chorus. We have two Chorus registrations rates available; 30 minute time slot for full choruses at \$400 and for smaller ensembles a 15 minute time slot for \$250.

The *Integra Planner* system is our integrated database, financial management, event planning & registration, and membership software. So, it's important to update your chorus' Integra record when any chorus information changes.

1. [Log in](#) to Integra at using your personal email address as your username (that is, as an example lizgrave@telus.net and not treasurer@onevoicechorus.ca), scroll down to the "Membership" section and verify that your chorus(es) and ensemble(s) are listed, and that you are shown as an Administrator.

The screenshot shows a web interface with a green header bar containing the 'IN' logo and navigation links: Events, Contacts, Productivity, Files, and Administration. The main heading is 'Register 'BarberEllas' for 'Unison Festival 2026 / Festival Unisson 2026''. Below this, there are three sections:

- Review and update profile**: A section with a right arrow icon. It contains a message: 'Contact details have not been reviewed within the last 6 months, so please check them and press 'Save' even if there are no changes, to confirm they are still correct.'
