Justification

Modification Justification (Course Modifications Only)

16. Justification for Modification(s)

Currently this course had no link to a course description on the bulletin website, so this needed to be corrected. It needed to reflect the current course description that is being utilized in course syllabi. It also needed to reflect that that course is also now offered twice a year with us offering biannual admissions to our Traditional BSN program option (started 1/2022). Prerequisites needed to be listed. One corequisite is listed as this is a practicum course and must be taken concurrently with the corresponding didactic course.

N/A New Course Justification (New Courses Only)

17. Justification for course. Must include:

— a. Academic rationale and goals for the course (skills or level of knowledge students can be expected to attain)

—

b. How does the course fit with the mission of the department? If course is mandated by an accrediting or certifying agency, include the directive.

—

c. Student population served.

d. Rationale for the level of the course (lower, upper, or graduate).

Assessment

Assessment Plan Modifications (**Course Modifications Only**)

18. Yes / No Do the proposed modifications result in a change to the assessment plan?

— If yes, please complete the Assessment section of the proposal

Relationship with Current Program-Level Assessment Process (**Course modifications skip this section unless the answer to #18 is “Yes”**)

19. What is/are the intended program-level learning outcome/s for students enrolled in this course? Where will this course fit into an already existing program assessment process?

Enter text...

20. Considering the indicated program-level learning outcome/s (from question #19), please fill out the following table to show how and where this course fits into the program's continuous improvement assessment process.

For further assistance, please see the 'Expanded Instructions' document available on the UCC - Forms website for guidance, or contact the Office of Assessment at 870-972-2989.

Program-Level Outcome 1 (from question #19)	Type outcome here. What do you want students to think, know, or do when they have completed the course?
Assessment Measure	Please include direct and indirect assessment measure for outcome.
Assessment Timetable	What semesters, and how often, is the outcome assessed?
Who is responsible for assessing and reporting on the results?	Who (person, position title, or internal committee) is responsible for assessing, evaluating, and analyzing results, and developing action plans?

— (Repeat if this new course will support additional program-level outcomes)

Course-Level Outcomes

21. What are the course-level outcomes for students enrolled in this course and the associated assessment measures?

Outcome 1	Type outcome here. What do you want students to think, know, or do when they have completed the course?
Which learning activities are responsible for this outcome?	List learning activities.
Assessment Measure	What will be your assessment measure for this outcome?

(Repeat if needed for additional outcomes)
