According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number (OMB 0985-0039). Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for gathering and maintaining the data needed and completing and reviewing the collection of information. The obligation to respond to this collection is required to retain or maintain benefits under the statutory authority of the Older Americans Act and Patient Protection and Affordable Care Act.
