

Section 1: Introduction

This is the first section of the document. It uses the default layout (single column).

Section 2: Two-Column Layout

This section is formatted into two columns. This allows content to flow side by side, which is useful for articles or reports.

Section 3: Single Column Again

We have switched back to a single column layout for detailed explanations and data.

Section 4: Landscape Layout

This final section is in landscape orientation, which is ideal for wide tables or charts.~~Here is a MS Word cool sentence~~
