

TRANSPORTATION POOLED FUND PROGRAM
QUARTERLY PROGRESS REPORT

Date: 4/20/2018

Lead Agency (FHWA or State DOT): Washington State DOT

INSTRUCTIONS:

Project Managers and/or research project investigators should complete a quarterly progress report for each calendar quarter during which the projects are active. Please provide a project schedule status of the research activities tied to each task that is defined in the proposal; a percentage completion of each task; a concise discussion (2 or 3 sentences) of the current status, including accomplishments and problems encountered, if any. List all tasks, even if no work was done during this period.

~~Calendar Draft 2025-26~~

~~Survey Results~~

~~September 23 – October 9, 2024~~

Transportation Pooled Fund Program Project #

TPF-5(291)

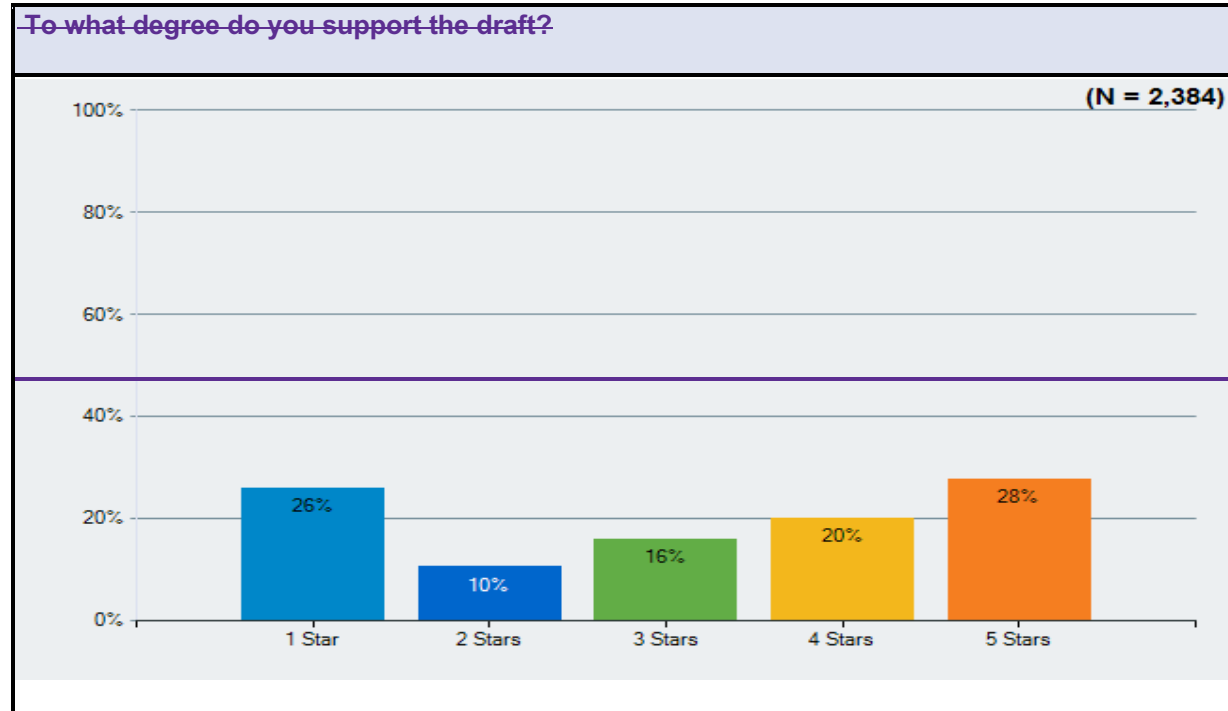

Transportation Pooled Fund
Report Period:

Quarter 1 (January 1 - March 31)

Quarter 2 (April 1 – June 30)

Quarter 3 (July 1 – September 30)

Quarter 4 (October 1 - December 31)

Project Title:

Development of an SPS-2 Pavement Preservation Experiment

Name of Project Manager(s):

Lu Saechao

Phone Number:

360.705.7260

E-Mail:

saechao@tpf.org

Lead Agency Project ID:

Other Project ID:

(i.e., contract number)

Y11728

Project Year:

2013

Original Project End Date:

Current Project End Date:

12/31/2018

Number of Projects:

0

Project

General comments about the draft:

Consider a year-round schedule status:

☐ On schedule ☒ On revised schedule ☐ Ahead of schedule ☐ Behind schedule

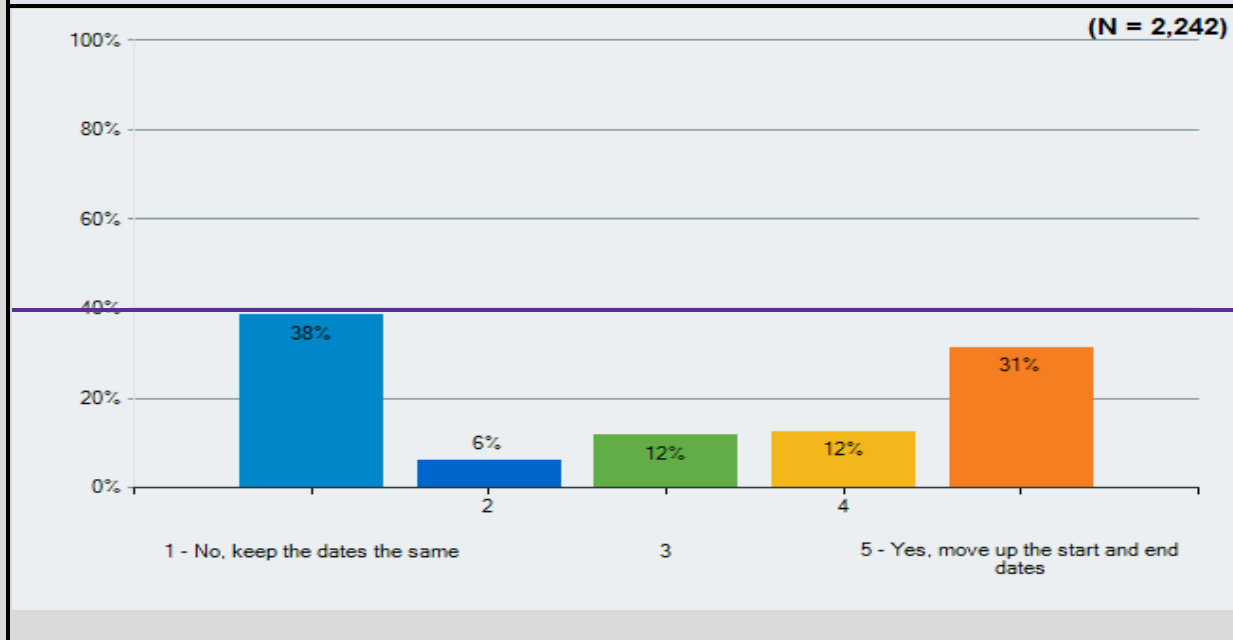

Overall Project Statistics:

- ~~Consider a week for Thanksgiving~~
- ~~Consider other religions/faiths when selecting days off~~
- ~~Try to make fewer 4-day weekends, or overlap them with federal holidays~~
 - ~~They are difficult for child care~~
 - ~~They can be disruptive to student routines, which requires time to reset~~
- ~~Consider implementing early start/end dates for the school year with more notice~~
- ~~Consider moving the teacher work day from December 19th to January 5th~~

Comments about the earlier end date:

- ~~School does not end before Memorial Day, and families may not return for the three school days after Memorial Day~~
- ~~The start of summer activities for kids may not coincide with the end of school~~
- ~~Some summer jobs (e.g. lifeguarding) may not start/end in alignment with an earlier end date~~

Total Project Budget In past years, ACPS has traditionally started the third week of August. In the revised version, we have an earlier start date. To what degree do you support starting and ending the school year earlier?

\$420,000

(\$98,713 Agreement Y11728)

Total Cost
Date for Pro
of Wor

\$70,083.91

Quarterly Project Statistics:

Comments in favor of an earlier start date:

- More alignment with surrounding localities (specifically GCS and GATEC)
- Allows the semester break to be before winter break

Comments opposed to an earlier start date:

- It is hotter in mid-August than it is in June, so moving the calendar forward ensures students will be in school, on buses, walking to school, at recess, etc. while it is hotter than if the calendar remained unchanged
- Tough for transportation staff who drive buses with no air conditioning
- End of May is typical college graduation, and families may have to choose between high school and college graduations (overlaps UVA graduation)
- Could constrain VHSL sports since practices will not start until 8/1

-

Total Project Expenses		Total Amount of Funds	Total Percentage												
and Percentage This Quarter		Expenditure This Quarter	To Date												
Traditionally, the school division puts Spring Break on the first full week of April. To what degree would you support moving the spring break earlier?															
(N = 2,116) <table><thead><tr><th>Response</th><th>Percentage</th></tr></thead><tbody><tr><td>1 - No, keep spring break the same</td><td>38%</td></tr><tr><td>2</td><td>7%</td></tr><tr><td>3</td><td>24%</td></tr><tr><td>4</td><td>9%</td></tr><tr><td>5 - Yes, move spring break to be earlier</td><td>21%</td></tr></tbody></table>		Response	Percentage	1 - No, keep spring break the same	38%	2	7%	3	24%	4	9%	5 - Yes, move spring break to be earlier	21%		
Response	Percentage														
1 - No, keep spring break the same	38%														
2	7%														
3	24%														
4	9%														
5 - Yes, move spring break to be earlier	21%														
		\$14,518.68 (1/1/18-3/31/18)													
		\$341.02 (10/1/17-12/31/17)													

Comments about spring break:

- ~~Generally, comments preferred a later spring break to have a chance at better weather for the break~~
- ~~A later spring break provides days off during the longest stretch of continuous school days~~
- ~~Does not align with UVA~~

Project Description:

This pooled fund effort is established to develop a second tier experiment based upon the existing SPS-2 experiment. The objective is to define the proper intervention timing and strategy selections enabling more effective infrastructure management and pavement life extension. In addition, this effort should develop tools for determining strategy selection and pavement life extension for incorporation into pavement and maintenance management systems.

I am:

	Count	%
Albemarle County Community Member	50	2%
ACPS Employee	547	21%
ACPS Parent	1,427	56%
ACPS Parent & Employee	272	11%
ACPS Student	253	10%
Total Responses	2,549	-

Progress this Quarter (includes meetings, work plan status, contract status, significant progress, etc.):

During this quarter the following tasks were completed:

1. Developed 2018 Tech Day schedule

<u>TPF-5(291), SPS-2 TECH DAYS</u>			
<u>State</u>	<u>Date</u>	<u>Location</u>	<u>Status</u>
<u>Arizona</u>	<u>2/21/2018</u>	<u>Phoenix</u>	<u>Completed</u>
<u>Colorado</u>	<u>3/23/2018</u>	<u>Denver</u>	<u>Completed</u>
<u>Washington</u>	<u>5/2/2018</u>	<u>Ritzville</u>	<u>Set</u>

Calendar Draft 2025-26

Iowa	5/30/2018	Pleasant Hill	In Development
Kansas	10/2/2018	Abeline	In Development
North Dakota	July/Aug 2018	TBD	In Development
Wisconsin	Aug/Sept 2018	TBD	In Development

2. [Completed and shared SPS site data from the AZ \(attended by NCE, AZ and WA\) and CO \(attended by NCE, AZ, WA, and CO\) Tech Days.](#)

Ethnicity/Race

	Count	%
Asian	130	5%
Black/African American	197	8%
Hispanic/Latino	125	5%
Native American/Alaska Native	25	1%
Native Hawaiian/Other Pacific Islander	13	1%
White	2,032	85%
Total Unique Responses	2,390	-

Anticipated work next quarter:

- [Continue development and set dates/locations for the ND and WI Tech Days.](#)
- [Carry out share data from the WA and IA Tech Days.](#)

Note: ~~Because multiple answers per participant are possible, the total percentage may exceed 100%.~~

Significant Results:

Gender

	Count	%
--	-------	---

Circumstance affecting project or budget. (Please describe any challenges encountered or anticipated that might affect the completion of the project within the time, scope and fiscal constraints set forth in the agreement, along with recommended solutions to those problems).

Female	1,941	80%
Male	460	19%
Non-binary	28	1%
Total Responses	2,429	-
