

Brevard County Public Schools CTE (Career & Technical Education) Adopt a CTE Program

Brevard County Public Schools make an impact on workforce needs through career and technical education in public middle and high schools. We strive to provide teachers and students with the best guidance, support, and opportunities through enrichment programs including teacher training, scholarships, competitions, job shadowing, job training and internships. Our department partners with the local business community to provide students with postsecondary options and experiences.

How it Works: This program offers local businesses the opportunity to partner with Brevard County Public Schools to work with local public middle and high schools to prepare students for college and career opportunities in a variety of areas focusing on workforce education.

If you are interested in partnering with any of our schools, we encourage you to complete the application below.

Please submit completed application to rutledge.rachel@brevardschools.org

Once partnered, we hope that you will spread the word by telling your customers and clients. Celebrate your commitment to career and technical education by promoting the Adopt-A-CTE-Program on your website, social media and press releases!

Added value of the mobility (in the context of the modernisation and internationalisation strategies of the institutions involved):

Activities to be carried out:

Expected outcomes and impact (e.g. on the professional development of the staff member and on both institutions):

II. COMMITMENT OF THE THREE PARTIES

By signing^{vii} this document, the teaching staff member, the sending organisation and the receiving institution confirm that they approve the proposed mobility agreement.

The sending higher education institution or other organisation supports the staff mobility as part of its modernisation and internationalisation strategy and will recognise it as a component in any evaluation or assessment of the teaching staff member.

The teaching staff member will share their experience, in particular its impact on their professional development and on the sending higher education institution or other organisation, as a source of inspiration to others.

The teaching staff member and the beneficiary organisation commit to the requirements set out in the grant agreement signed between them.

The teaching staff member and the receiving institution will communicate to the sending organisation any problems or changes regarding the proposed mobility programme or mobility period.

ⁱ Adaptations of this template

- In case the mobility combines teaching and training activities, **this template** should be used and adjusted to fit both activity types.
- In the case of mobility between higher education institutions (HEIs) this agreement must always be signed by the staff member, the sending and the receiving HEI (three signatures in total).
- In the case of KA171 outgoing mobility of invited staff from (non-academic) organisation to teach in a HEI, this agreement must be signed by the participant, the beneficiary organisation, the HEI receiving the staff member, and the organisation they belong to (four signatures in total). An additional space should be added for signature of the beneficiary organisation organising the mobility.
- In the case of incoming mobility of invited staff from enterprises/(non-academic) organisation to teach in a HEI, this agreement must be signed by the staff member, the receiving institution (if applicable, the beneficiary organisation (if different from the receiving institution)) and the sending organisation (three or four signatures in total).

ⁱⁱ **Seniority:** Junior (approx. < 10 years of experience), Intermediate (approx. > 10 and < 20 years of experience) or Senior (approx. > 20 years of experience).

ⁱⁱⁱ **Nationality:** Country to which the person belongs administratively and that issues the ID-card and/or passport.

^{iv} **Erasmus code:** A unique identifier that every higher education institution that has been awarded with the Erasmus Charter for Higher Education receives. It is only applicable to higher education institutions located in EU Member States and third countries associated to the programme.

^v **Country code:** ISO 3166-2 country codes available at: <https://www.iso.org/obp/ui>.

^{vi} The **ISCED F 2013 search tool** (available at https://ec.europa.eu/eurostat/statistics-explained/index.php?title=International_Standard_Classification_of_Education_%28ISCED%29#ISCE) should be used to find the ISCED 2013 detailed field of education and training.

^{vii} Circulating papers with original signatures is not compulsory. Scanned copies of signatures or electronic signatures may be accepted, depending on the national legislation of the country of the beneficiary organisation (in the case of mobility with third countries not associated to the programme: the national legislation of the EU Member State or third country associated to the programme). Certificates of attendance can be provided electronically or through any other means accessible to the staff member and the sending institution.
