

Monterey County Oral Health Advisory Committee
Community Behavioral Health Promotion and Prevention Commission

Meeting Minutes
December 07, 2022~~17, 2020~~
Zoom Conference Call
1:00pm – 2:00pm

Present:

Alejandra Garcia - CHDP Program, Allan Diaz – Early Learning Program, Patricia Garcia – Roosevelt Elementary School Parent Coordinator, Lizbeth Gomez -Early Learning Program, Jacqueline Quintero – Monterey County Health Department, Jairo Hernandez – Monterey County Health Department, Maria Lopez -Community Member, Roz Saedi - Outreach Consult Smile California, Alejandra Espino – Sherwood Elementary School.

Welcome & Introductions

Jairo Hernandez convened the meeting at 1:03pm. Attendees were welcomed and introduced.

Partner & Agency Announcements

Maria Lopez shared a new county resource for individuals that are seeing mental health services. A three-digit phone number may be dialed and an operator can connect callers to mental health services in the county.

Alejandra Garcia shared the expected termination date of the CHDP Program will be on July 1st, 2024. The program duties will be taken over by the Monterey County Alliance Program. Alejandra will keep us posted of any program impacts.

Jairo shard that due to COVID-19 precautions, MC Choice continues to offer consultation and services only by phone for the time being. Additionally, Jairo share with the group information on COVID-19 treatment provided the California State Department of Health, Office of Oral Health. Jairo shared electronically COVID-19 treatment handouts that include information on the medications, efficacy, risk groups and patient eligibility criteria, and other common questions and answers.

Dental Screening Update

Jairo meet with Sherwood and Rosevelt Elementary School on August 8th and October 11th to discuss the planning of pilot school screening events. A pilot screening was scheduled for November15th at Rosevelt Elementary, however, it was canceled due to unforeseen logistical challenges. The oral health program plans to reconnect with Monterey County Clinic Services to receive updates of the expansion of dental services and revisit timelines for support with school screenings.

Outreach & Education

Jairo shared that two in-person parent workshops were conducted at Loma Vista, and Sherwood Elementary on October 24th and 28th. A total of 16 parents attended the workshops. Parent workshops consisted of information on cavity prevention by reducing sugar intake, establishing a

dental home and dental services that are covered through Medi-Cal dental. The oral health program is scheduled to conduct a parent workshop at Los Padres Elementary and at Early Learning Program (ELP) in February 2023. Lastly, 17 classroom presentations were provided to kindergartners and first graders at Loma Vista and Sherwood Elementary. In addition to school presentations, Jairo would like to enhance outreach efforts to increase reach. Possible ideas for outreach are attending open house, holiday and kinder events. Patricia mentioned that Rosevelt is open to having oral health outreach after school during parent pick up times.

Brainstorm Session to Identify New Schools

Marial Lopez shared the contact information of the director of the Greenfield School District. Alejandra Garica shared two possible contact leads for Dr. Oscar F. Loya Elementary School. Jario will follow up with school leads and will continue to seek additional contacts for other target school districts.

Meeting Adjourn

3:00-5:00 pm

Date of meeting: Thursday, December 17, 2020

Start time: 3:05 pm

End time: 4:55 pm

Location: Virtual Meeting (WebEx)

Members participating		Vote-1*
1	Katherine Ginnis, MSW, MPH — MassHealth (<i>chair</i>)	X

* (X) Voted in favor; (O) Opposed; (A) Abstained from vote; (-) Absent from meeting or during vote

Proceedings

Chair Ginnis called the meeting to order at 3:05 pm, noting that all votes taken during the meeting would be conducted via roll call. Members briefly introduced themselves.

Vote 1 to approve the 10/15/2020 minutes: Chair Ginnis requested a motion to approve the minutes from the Commission's previous meeting on October 15, 2020. Deputy Commissioner Sherwood introduced the motion, which was seconded by Dr. Beilin and approved by roll call vote (see detailed record of votes above).

Deputy Commissioner Sherwood, Professor Hannah, and Dr. Beilin presented on the work of the subcommittee formed at the October 15, 2020 meeting to explore promotion and prevention-related recommendations to address the impact of the pandemic on the behavioral health of children and families, with a focus on the disproportionate impact of COVID-19 on communities of color and low-resource communities. The presentation highlighted a number of existing initiatives and intervention models, and concluded with recommendations grouped into four distinct themes: 1) Public education about the mental health impact of the pandemic and how to support mental health and well-being for people of all ages; 2) Equip caring adults in regular contact with children with the skills to support their mental health and well-being; 3) Help schools access mental health services and supports for students and staff; and 4) Parents need information, access to peer support and help with basic needs. For additional details, refer to subcommittee's presentation posted to the Community Behavioral Health Commission's Meeting Materials webpage.

Representative Decker provided an overview of the FY21 budget, highlighting aspects of the \$94.6 million allocated for mental health care for children and adolescents, including community-based mental services and evidence-based trauma treatments. Senator Cyr described four new initiatives funded in the budget: a tele-behavioral health pilot program; a psychiatric nurse practitioner fellowship program in community health centers; a mental health workforce pipeline; and a \$150,000 study on access to culturally-competent care through the Office of Health Equity. He also highlighted the inclusion of \$10 million for behavioral health bed capacity.

Chair Ginnis facilitated a discussion of the subcommittee's proposed recommendations and explained that members' feedback would be compiled and incorporated in the coming months.
